The Introduction to Revelation

Revelation 1:1-3

the revelation of Jesus Christ - verse 1a

the writer - verses 1b-2

the readers - verse 3

The Revelation of Jesus Christ

revelation means uncovering or unveiling
this revelation is shown to those who are His servants
a bondservant
one who gives himself up to the will of another
this revelation is to show what will soon take place

to the bondservant God makes His revelation plain
to the carnal Christian this revelation may produce fear
to the non-Christian it is a warning of coming judgment

The writer - John

John gave witness to the Word of God
John gave witness to the testimony of Jesus
John gave witness to all the things that he saw

The readers - us

we will be blessed as we read
as we learn Christ's directions and follow them, it brings true blessing
we will be blessed as we hear
this happens as we hear others read and explain Revelation
this includes studying the book and remembering it
we will be blessed as we obey the things written in this book
this does not mean speculating about future events
this does not mean reading it only to satisfy our curiosity
it does mean reading it to discover the principles of life which God has revealed
in it so that we can conform to these principles

Greetings to the Churches

Revelation 1:4-8

the greeting is to the churches - verse 4a
the greeting is from the Godhead - verses 4b-5
the greeting calls us a kingdom of priests - verse 6
the greeting is from the One who is coming - verses 7-8

The words used in greeting the churches

grace - a gift without any strings attached
peace - a war that previously existed has ceased

The greeting is from the Godhead

it is from Him who is
it is from Him who was
it is from Him who is to come

The greeting is from the seven spirits who are before the throne (the Holy Spirit)

Christ was empowered by the same sevenfold Spirit when He was on the earth
Isaiah 11:2

the Spirit of the Lord

the Holy Spirit is part of the Godhead

the spirit of wisdom

wisdom in administration, ethical and religious affairs

the spirit of understanding

understanding and discernment to act wisely

the spirit of counsel

counsel, advise and purpose

the spirit of might

might or strength of God

the spirit of knowledge

knowledge, perception and skill

the spirit of the fear of the Lord

reverence and respect for One who is awesome

The Vision of the Glory of Christ

Revelation 1:9-18

John is in exile - verses 9-11
John sees Christ in His glory - verses 12-18

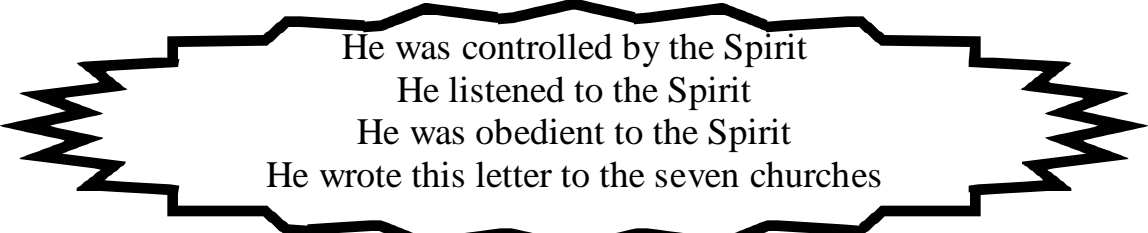

John was on the island of Patmos

John is our brother
John is our companion in tribulation
John is our example of patience

the island of Patmos was about 50 miles across water from the closest city
the island of Patmos was used to exile prisoners of Rome
the island had no way to send messages to other places
the island did not hinder John from expecting God to get out the message

John was on the island for proclaiming the Word of God
John was on the island for proclaiming the testimony of the Lord

John was in the Spirit on the Lord's day

He was controlled by the Spirit
He listened to the Spirit
He was obedient to the Spirit
He wrote this letter to the seven churches

John was writing to seven churches

the seven churches refer to seven literal churches in the time of John
the seven churches picture various churches at any time in the history of the church
the seven churches illustrate the history of the church from the time of John to the present

Ephesus - to 100
Smyrna - 100 to 300
Pergumum - 300 to 500
Thyatira - 500 to 800
Sardis - 800 to 1500
Philadelphia - 1500 to 1850
Laodicea - 1850 to rapture

John sees Christ in His glory

Christ is in the middle of the churches

this is contrast to Revelation 3:20 where Christ has been pushed
right outside the door of the church

Where is Christ today?

Christ is everywhere

Christ is in heaven preparing a place for us - John 14:1-6

Christ is on earth preparing us for that place - I John 3:1-3

Christ will one day take

A Prepared People to a Prepared Place

Christ is moving among His churches to cleanse and purify His churches

the voice is like the sound of many waters

the voice of Christ is the final Word

the voice of Christ will call the church - I Thessalonians 4:16

Christ will complete His work

He holds the seven stars (angels) in His right hand

perfect rest, power and protection

Revelation 2:5, 2:16, 3:3

The Seven Cities of Revelation 2 and 3

Ephesus

was the capital of the Roman province of Asia
had a fine harbor so it was a center of trade
had a population of about 300,000 people
had an amphitheater 495 feet in diameter that held 25,000 people
city was the center of the worship of Diana (Artemis)
the temple was one of the seven wonders of the world
the temple measured 340 by 100 feet
the temple had 100 columns that were 55 feet high
Diana was called the goddess of fertility

Smyrna

the city was built around 525 foot Mount Pagus
the city had a street known as the “street of gold”
this street had a great temple at each end
the temple of Zeus was at the western end
the temple of the mother goddess, Cybele Sipyrene, was at the eastern end
the city also had many other temples and public buildings
this city was very loyal to Rome
this was part of the cause of the severe persecution in this city

Pergamum

the city was built on terraces on the side of a 1000 foot hill
it had an amphitheater that held 15,000 people
the city was the center of a great health resort dedicated to the god, Asclepias
the city was well known for its school of sculpture
the city had the great sculptured altar of Zeus (125 feet by 115 feet)
this is identified by some as Satan’s throne

Thyatira

the city was a great center of trade
this city had more trade guilds than any other city in Asia
this is the city from which Lydia had come - Acts 16
the area around the city produced the well known Turkey red dye
which came from the madder root

Sardis

this city was located on a main trade and military route
this city was a rather wealthy city
the temple of Artemis (160 feet by 300 feet) was located in this city
this city was strong in its worship of the Roman emperor

Philadelphia

the name of the city means the city of brotherly love
the city was built on an 800 foot hill
the city was on the main trade route leading east and west
this city was a great center of grape growing
this is the one city that still has a church existing today

Laodicea

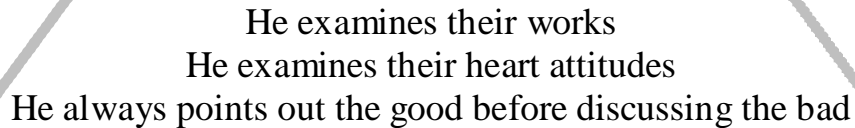

the city was located on the main highway 90 miles east of Ephesus
this city was settled by Jews and Syrians from Babylonia
this city was a very rich city
it refused outside help when it was destroyed by an earthquake in 60 A.D.
this trust in riches also became present in the church
the city obtained its water from hot springs some distance away
the water was carried by a three foot pipe
the water was too cold for health baths by the time it arrived
the water was too warm to drink
the water was used to picture the spiritual condition of the church

The Church at Ephesus

Revelation 2:1-7

- Christ is walking in the middle of the churches - verse 1
- Christ points out several good things about the church at Ephesus - verses 2-3
- Christ points out the one failure of Ephesus - verse 4
- Christ gave four R's in a return to our first love - verse 5
- Christ said the church at Ephesus hated the deeds of the Nicolaitans - verse 6
- Christ gives an appeal to us - verse 7

Christ is in the middle of the churches

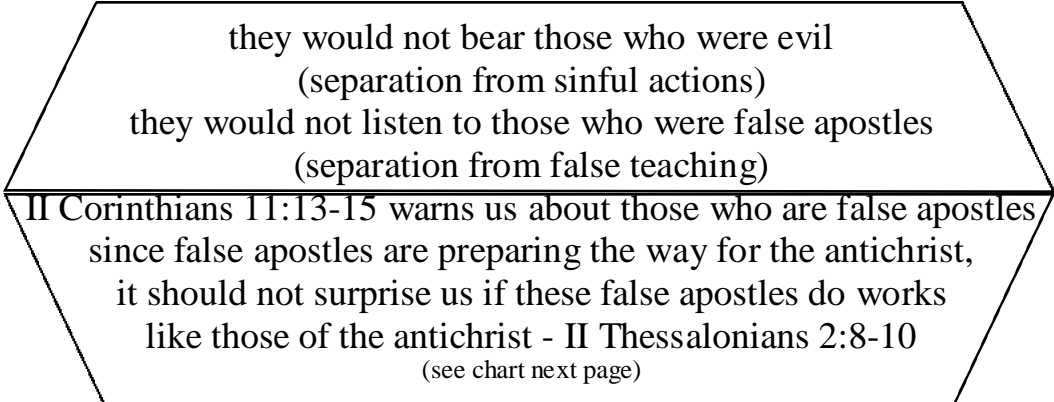

He examines their works
He examines their heart attitudes
He always points out the good before discussing the bad

Christ points out several good things about the church at Ephesus

Ephesus was a working church

- their works - they were serving the Lord all of the time
- their labor - even when work was really toil, they stuck with it
- their patience - they showed patient endurance in their service for the Lord

Ephesus was a doctrinally sound church

- 
- they would not bear those who were evil
(separation from sinful actions)
 - they would not listen to those who were false apostles
(separation from false teaching)

II Corinthians 11:13-15 warns us about those who are false apostles since false apostles are preparing the way for the antichrist, it should not surprise us if these false apostles do works like those of the antichrist - II Thessalonians 2:8-10
(see chart next page)

Ephesus was a church that did not give up

- you have borne - to bear a burden
- you have patience
- you have labored
- you have not fainted

Seven tests for false teachers in I John

Denial of our present sinful condition

if we say we have no sin - I John 1:8

Denial of the seriousness of sin

if we say we have not sinned - I John 1:10

Denial of the Deity of Christ

if we deny that Jesus is the Christ - I John 2:22-23

Denial by works

whoever does not practice righteousness is not of God
nor is he who does not love his brother - I John 3:10

Denial of the humanity of Christ

does not confess that Jesus Christ has come in the flesh - I John 4:1-3

Denial by lack of love

claims to love God but hates his brother - I John 4:20-21

Denial of the Word of God

rejects the record that God gave of His Son - I John 5:10-11

Christ points out the one failure of Ephesus

they had left their first love

the difference between left and lost
to lose means to lose something that you want to keep
to leave means to abandon or forsake
(they had actually turned away from the love that they once had)

What was that first love?

“fellowship with Christ”

this fellowship is proclaimed - Philippians 3:7-14

this fellowship is illustrated - Luke 10:38-42

this fellowship is the basis for true service - II Corinthians 5:14-20

(we can become so busy serving the Lord that we have no time for fellowship with Him)

this fellowship is demonstrated in the contrast between the church at Ephesus and the church at Thessalonica - I Thessalonians 1:3

The church at Ephesus

works
labor
patience

The church at Thessalonica

work of faith - Romans 10:17
labor of love - Mark 14:3-9
patience of hope - I Thess. 1:9-10

The four R's involved in a return to our first love

Remember therefore from where you have fallen

remember your old sinful life
remember how God saved you from that life
remember the precious fellowship you enjoyed when you
first committed your life to Christ
remember when your fellowship was centered around love
rather than works, labor and patience

Repent

to turn back in heart
to turn back in purpose
to turn back in love
II Corinthians 5:14

Repeat (do) the first works

in order for our fellowship to be what it should be, it must be fresh
(illustration of manna which must be gathered daily - Exodus 16:14-21)
how much time do we spend with the Lord each morning?
do we spend it with Him from duty or from love?

Removal

if we fail to do the first three when we have left our first love,
God will remove us from our place of service
God will remove our churches from effective service

The church at Ephesus hated the deeds of the Nicolaitans

Nicolaitans comes from two Greek works
nikao - to conquer
laos - people

from this we get our word laity (laymen)

the Ephesians were commended because they hated those who wanted to make a
distinction between clergy and laity - spiritual leaders are not to be dictators

Diotrephes was such a man - III John 9-10

spiritual leaders are to be examples (I Peter 5:3) and servants (Mark 10:42-45)

the results of Nicolaitanism

the leaders become proud
the followers become lazy and have no ministry
the result is sinful living by both leaders and followers

The appeal to us

listen to what the Holy Spirit is trying to teach us from this church
if we have detected a need in our own life now is the time to correct it

The Church at Smyrna

Revelation 2:8-11

Christ gave a message to the angel of the church of Smyrna - verse 8
Christ points out several good things about the church in Smyrna - verse 9
Christ offers rewards for faithfulness - verse 10
Christ calls to us to hear - verse 11

The message to those facing great suffering

for those facing great persecution, Christ is the first and the last
He knows the beginning from the end and will bring
all persecution to an end in His time and plan
for those facing death, Christ is the One who was dead and is alive
the persecutors could not do more to Christians than they had done to Christ
just as Christ is alive, He will raise all to life who die in Him

in the church at Ephesus, we see that they had left their first love
here we see Christ is allowing persecution to cause the church to return to their first love
we see that this persecution caused cleansing
however, we do not see that it caused the church to return to a first love

Christ points out several good things about the church at Smyrna

they continued to work hard for the Lord even in persecution
here we see that nothing was able to stop their work for the Lord
they were willing to suffer great tribulation for the Lord
regardless of how much the people suffered, they continued to serve the Lord
here we see a real example of how we should face suffering
they experienced great poverty (but they were rich)
as a part of their persecution,
all of their earthly possessions were taken and destroyed
as a result, they had nothing on this earth
however, God said that they had great riches in heaven
they also suffered from professing Christians who were actually followers of Satan
these people were blaspheming by acting and speaking like they served God
they are described as the “synagogue of Satan”
Christ offers rewards for faithfulness

do not fear the things that you will suffer

we do not face these things alone
we are to rest in the strength that Christ provides
*Christ did not deliver the three men from the fiery furnace
but He went with them through that furnace - Daniel 3:19-30*

recognize that the devil will test you further

some of the people in Smyrna were going to be cast into prison
although we may not be cast into prison, we may be tested in other ways

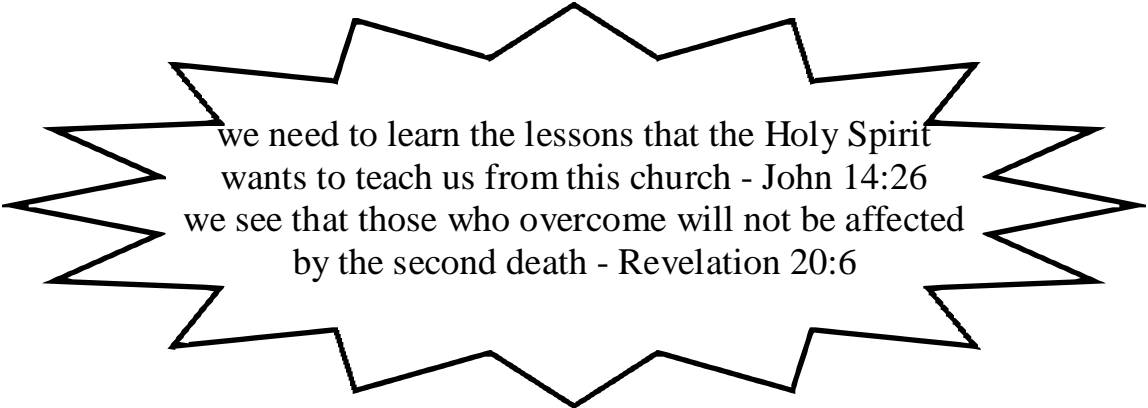

God warned that there would be ten periods of great persecution

under the Roman government, the church faced ten periods of intense
persecution during the first three hundred years of the church
three in the first century
two in the second century
five in the third century

those who are faithful to death are promised a crown of life

this points to the victor's crown which will be given
to those who rule with Christ - James 1:12
here we see that those who are faithful will be rewarded
with the opportunity to rule with Christ

The call to us to hear

we need to learn the lessons that the Holy Spirit
wants to teach us from this church - John 14:26
we see that those who overcome will not be affected
by the second death - Revelation 20:6

The Church at Pergamum

Revelation 2:12-17

Christ comes to this church with a sword having two edges - verse 12

Christ first examines the good works - verse 13

Christ tells the things which He has against this church - verses 14-15

Christ warns the church at Pergamum to repent - verse 16

Christ warns the church to listen to the Spirit - verse 17

A Sharp Sword with Two Edges

Hebrews 4:12 describes that sword as the Word of God
here we see that God is examining everything
in the church according to the Word of God
the fact that Christ called the Word a sword indicates that
this church is going to face a thorough judgment

The good works of the church at Pergamum

they were working hard for the Lord

this was true even though they lived in the center of idol worship

it was the place where Satan's throne was

since Satan cannot be everywhere like God,

he must have a center for his activity on the earth

the place where Satan centered his activity would always be the most sinful area

of the earth because he would face the least opposition there

it is interesting that the church would work so hard in such a sinful area

they were holding forth the name of Christ

here we see that the church was still preaching the Gospel

they had not denied the faith

here we see that the church still stuck to the basic teachings of the Word of God

they had seen Antipas killed as a faithful martyr

here we see that the church was still so true to the Word of God

that people were dying for their faith

the things which Christ had against the church at Pergamum

they had those who held the doctrine of Balaam

Balaam and his false teaching are recorded in Numbers 22-25
Balak, king of Moab, offered Balaam a great reward to curse Israel
Balaam tried several times to curse Israel but
God caused his words to come out a blessing each time
Balaam still wanted the reward offered by Balak
Balaam encouraged Balak to get the Moabites to marry the people of Israel
he knew this would cause the people to join the idol worship
he knew this would cause Israel to get involved in immorality
Satan knows that if he can destroy the morality of a believer,
he will soon be able to lead him into false worship
there were those in the church who were involved in sinful living
Christians were marrying idol worshippers
Christians were participating in their old religions
Christians were getting involved in the immorality
that went along with their old religions

they had those who held the doctrine of the Nicolaitans

this was the doctrine that was hated in the church at Ephesus
remember the meaning of Nicolaitans
nikao - to conquer
laos - the people
in Pergamum there were those who had set themselves up as dictators over the people
when people set themselves up as dictators, two things happen:
the leaders become proud
the followers feel they do not need to do anything
the result is that both live to satisfy themselves while claiming to be Christians
God says that he hates this teaching

Christ warns the church to repent

God says that this repentance must come quickly
God says that if there is no repentance,
there will be judgment according to the Word of God
Christ warns the church to listen to the Spirit
God wants to correct any of the churches that will listen
God promises to feed those who will listen
God promises to place His approval on those who obey Him

The Church at Thyatira

Revelation 2:18-29

Christ is pictured as He examines Thyatira - verse 18

Christ tells the good things in the church at Thyatira - verse 19

Christ tells the things which God has against the church at Thyatira - verses 20-21

Christ promises judgment to those in Thyatira - verses 22-23

Christ gives promises to those who have not known the depths of Satan - verses 24-28

Christ encourages all to listen to the Spirit - verse 29

The picture of Christ as He examines the church at Thyatira

His eyes are like a flame of fire

here is a picture of the fact that Christ sees and knows all things

He is examining them according to what is true

like a fire, He will separate the chaff from the precious stones

His feet are like fine bronze (brass)

throughout the Old Testament, bronze gives us a picture of judgment

the bronze altar, the bronze serpent

after Christ examines the right and wrong, He will judge the wrong

The good things about the church at Thyatira

their works

here we see that the church at Thyatira was a hard working church

in fact this is the first thing mentioned about them

their love

it is interesting to note that this church had a love for the Lord

however, it is important to notice that their works were ahead of their love

their service

this church was serving the Lord as they worked for Him

their faith

this church had a faith in the Lord

their patience

this church showed endurance in the middle of suffering and problems

their works (the last more than the first)

their service increased for the Lord as they grew in the Lord

they had not become satisfied with past achievement

The things which God had against the church at Thyatira

Jezebel had been given leadership by the church

Jezebel was a literal woman in Thyatira
the fact that the church at Thyatira had not tested her claim to be a prophetess
by the Word of God shows that the church was openly compromising
Jezebel symbolizes the Old Testament Jezebel in I Kings 16-II Kings 9

the Old Testament Jezebel

she not only worshipped Baal but was a real militant in getting others to worship Baal
she controlled her husband, Ahab, so that he did not stop her opposition to God
she attempted to destroy all of the true prophets of God
she attempted to replace the Word of God with the words of men
this has always been a key in Satan's activity
Satan is still using this approach today

Jezebel was calling herself a prophetess

false religious leaders always set themselves up as religious leaders
false religious leaders often claim to base their teaching on the Bible
the devil will often use imitation to deceive those who are interested
in the Bible - II Corinthians 11:13-15

Jezebel was being allowed to teach by the church

God specifically prohibits women from teaching men in church meetings
I Corinthians 15:34-37, I Timothy 2:11-15
God does tell the older women to teach the younger women
Titus 2:3-5
we are not to allow men or women to teach unless we know that they will teach
the truth - Jude 3-16

Jezebel was being allowed to seduce God's servants to commit fornication
the problems of an experience oriented religion

Jezebel was being allowed to seduce them to eat things sacrificed to idols
the problem of a compromising church

Jezebel was given time to repent, but refused to repent
the problem of open sinful rebellion

The Judgment promised to those in Thyatira

Jezebel will be cast into bed

those who deceive others will themselves be deceived
many of the followers of Jezebel think that they are true Christians

the followers of Jezebel will go into great tribulation

here we see that those who follow her teachings are not even Christians
in the Old Testament, Jezebel corrupted the government
in order to destroy the worship of God
then the corrupted government destroyed her - II Kings 9:30-37
this same thing will happen in Revelation
government will destroy organized religion - Revelation 17
God still offers men an opportunity to repent

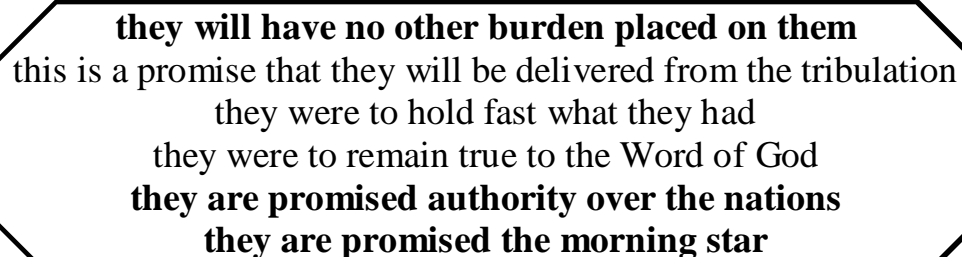

the children of Jezebel will be killed

Jezebel's children are false teachers as well as unbelievers
God's judgment on false teachers in the tribulation will be very severe

the Lord will search the minds and hearts of men

people will have the thoughts of their hearts and minds revealed
people will experience judgment according to their works
this will result in either rewards or judgment

The promises to those who have not known the depths of Satan

they will have no other burden placed on them
this is a promise that they will be delivered from the tribulation
they were to hold fast what they had
they were to remain true to the Word of God
they are promised authority over the nations
they are promised the morning star

The encouragement to listen to the Spirit

“He who has an ear, let him hear what the Spirit says to the churches.”

The Church at Sardis

Revelation 3:1-6

Christ speaks to the church at Sardis - verse 1
Christ speaks about the works of the church at Sardis - verses 2-3
Christ speaks encouragement to the faithful remnant - verse 4-5
Christ encourages us to listen to the Spirit - verse 6

Christ speaks to the church at Sardis

this is one of the two churches about which the Lord has nothing good to say
like each of the other churches, the Lord examined the works of Sardis
this church at Sardis claimed to be an active, living church
here we see that much activity does not produce a living church
in this case much activity produced a dead church
this was a church which had compromised so long that nothing remained

The works of Sardis did not meet the requirements of God

these works were self centered rather than God centered
these works were not based on love for Christ
these works require drastic corrective action

be watchful - this church needed to wake up
it was in this condition because dead ceremonies
had replaced a true relationship with Christ
strengthen the things that remain
this is a great call to return to the Word of God
the Word is our source of strength
the lack of teaching can even take Christians
back to babyhood - Hebrews 5:11-14
remember what you have received and heard
return to a true belief
hold fast and repent
turn away from the dead works which have corrupted you

these works will lead to immediate judgment if not corrected
Christ will come as a thief and they will be unprepared for judgment

The message to the faithful remnant

just as God remembered the faithful in the time of Noah
and again in the time of Lot

God remembered the faithful remnant in the city of Sardis

this faithful remnant had not soiled their garments
this faithful remnant had been true to the Word of God
this faithful remnant consists of those who walk in true fellowship with Christ

God recognizes the faithful remnant as worthy

the faithful are not worthy in themselves
the faithful are worthy through Christ

God promises the faithful remnant blessing

Christ says the faithful will stand in the righteousness of Christ
Christ says the faithful have eternal life which no one can take away
Christ speaks of the faithful before His Father
Christ speaks of the faithful before the angels

The encouragement to listen to the Spirit

God is looking for people who will listen
God is looking for people who are sensitive to the Spirit
God is looking for people who hear what the Spirit says to the churches

The progression downward

the church at Ephesus - had left its first love
the church at Pergamum - had left the true doctrines
the church at Thyatira - had stopped following godly leaders
the Church at Sardis - had become dead because it was so self centered

The Church at Philadelphia

Revelation 3:7-13

Christ examines the church - verse 7
Christ places an open door before His true followers - verse 8
Christ will judge those who are false - verse 9
Christ will keep us from the hour of temptation - verse 10
Christ promises rewards to those who obey - verses 11-12
Christ encourages us to listen to the Spirit - verse 13

The picture of Christ as He examines the church

Christ finds nothing wrong with this church
it has one of the most beautiful pictures of Christ
since it is not necessary for Him to come as the Judge

Christ is the Holy One

since He is perfect, His holiness is not compared to anything
instead we are given a standard of comparison for our own lives

Christ is the True One

holiness speaks of character while truth speaks of actions
Christ is the One who is genuine
those who turn away from Christ are characterized by two things
a lack of holiness
a lack of truth
this is the reason why they are so easily deceived by the antichrist
II Thessalonians 2:9-12, II Timothy 4:3-4

Christ has the key of David

a key is always a symbol of authority
this key is interpreted in the following passages
Isaiah 22:20-22 - the symbol of the authority of the king
Isaiah 9:6-7 - this authority would be laid on the shoulder of Christ

Christ is the One who opens and shuts doors

Christ had all authority given to Him - Matthew 28:18-20
Christ shares the power with us through the Holy Spirit - Acts 1:8
Christ opens and shuts doors through our ministry of proclaiming the Gospel
Christ places an open door before His true followers

on the basis of His examination,
Christ places an open door before His true followers

qualifications for going through the open door

you have a little strength

here we see that the group who can go through the open door is a small minority
the world always counts strength by numbers
only when we realize that we have no strength in ourselves
will we rest in the strength that Christ provides - Philippians 4:13

you have kept My Word

here we see that the godly remnant has a total belief in the Word of God
today many churches question the inspiration of Scripture
Christ warned that a departure from Scripture
would characterize the last days - I Timothy 4:1
those who keep the Word of God love it and obey it
ignoring it is just as bad as rejecting it
in order to keep the Word, we must obey the instruction of II Timothy 4:2
we will not have an open door if we speak our words instead of the Word of God

you have not denied My name

Christ looks for those who honor His name
the name of a person speaks of his character
here we see that the small minority meet the test that the church at Ephesus failed
the open door is placed by Christ before those who have not left their first love
many Christians are so busy serving the Lord that they have no time to spend with the
Lord and grow in their love for Him
here we see that it is individuals and not groups who meet the test
to have an open door placed before them

Christ has set an open door

He is the door of salvation through which we enter - John 10:9
He opens the door to service as we follow Him - John 10:4
He opens a door so we can present the Gospel - Acts 16:6-9
He opens hearts as we go through open doors - Acts 16:14
He has set an open harvest before us that has already been sown - John 4:35-38
we can expect to reap if our hearts are right
we must fulfill the commands of God in order to recognize open doors

Christ will judge those who are false

synagogue means a “bringing together” or “a gathering together” of religious people
here we see that God is going to be the One who will deal with
the religious union that is developing
their gospel - Galatians 1:6-8
their leader - II Corinthians 11:13-15
their false doctrines - I John 2:22, I John 4:1-3
their relationship - John 8:44
those who are of the synagogue of Satan will be forced to worship before the feet
of those who are true Christians
God will cause them to recognize those who are true Christians

Christ will keep us from the hour of trial which will come on the whole world

Christ gives a great promise to all those who have placed their trust in Him
they will be kept from “The Testing”
ek - to be kept away from not to be preserved through
this is in contrast to Israel which will be saved out of it
Jeremiah 30:7, Revelation 12
this time is described in many passages as a terrible time for Israel
Daniel 12:1, Matthew 24:25, Revelation chapters 6-19

How will Christians be kept away from “The Testing”?

Christians will be taken out of the way before the wicked one is revealed
II Thessalonians 2:7-8
Christians will be taken to heaven by the Rapture
I Thessalonians 4:13-18
Christians will be taken by Christ very suddenly
I Corinthians 15:51-52

Christ promises rewards to those who obey

no man will take our crown
we will be rewarded according to what we do
Galatians 6:7-10, I Corinthians 3:11-15, Luke 19:11-26
we will be a pillar in the temple of God
we will dwell with the Lord forever

Christ encourages us to listen to the Spirit

The Church at Laodicea

Revelation 3:14-22

Christ is seen as He examines the church - verse 14
Christ has a complaint against the church - verses 15-17
Christ gives counsel to the church at Laodicea - verse 18
Christ gives an appeal to repent - verses 19-20
Christ has a promise for overcomers - verse 21
Christ encourages us to listen to the Spirit - verse 22

The picture of Christ as He examines the church

The Amen

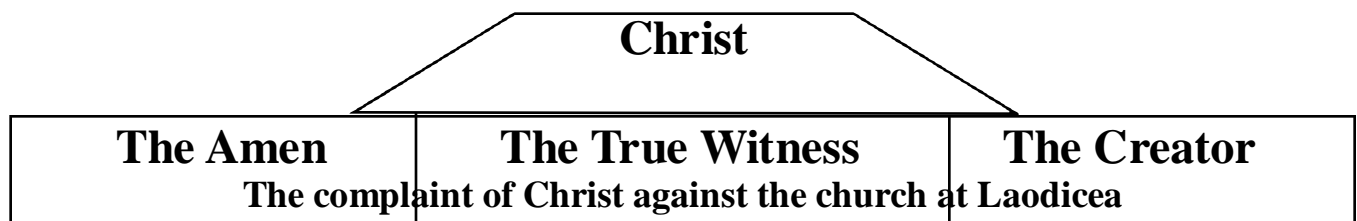

that which is established, sure or positive
Christ is the One who is the Truth - John 14:6
nothing can be added too or taken away from Him
this is a message of encouragement to those who trust
this is a message of judgment to those who reject

The True Witness

what Christ says is out in the open and nothing is hidden
as the True Witness, Christ knows the hearts of men
nothing is hidden from Him

The Creator

He is the Creator and in Him all things consist - Colossians 1:15-18
today many churches have rejected Him as Creator and
have accepted the teaching of evolution
He is the Master of all that He created
He is the source of life for every church

Christ has nothing good to say about this church
Laodicea means - the voice of the people
this is in contrast to the voice of God

The church was neither hot or cold

hot speaks of a church that is totally dedicated to serving the Lord
cold speaks of people who are in rebellion against god
these are people who are not a part of the church
these people make no claim to be Christians
these people face judgment
there is more hope for one who is cold that for one who is lukewarm

Lukewarmness is very dangerous because it is self deceiving

the church at Laodicea thought that it was in good spiritual condition
lukewarmness has as its real problem a failure to recognize the Lordship of Christ
types of lukewarmness

lukewarm in love for the Lord

neglect of personal fellowship with Christ - Romans 12:1-2

lukewarm in love for the Word of God

may feel that certain Biblical doctrines and principles are not essential to our faith

lukewarm in love for the body

neglect of love and service to one another - John 13:34-35

lukewarm in love for the world

neglect of evangelism - Acts 1:8

God's evaluation of the church at Laodicea

wretched - oppressed with a burden

their earthly riches kept them from recognizing their true spiritual condition

miserable - that which is in need of pity

Christ was moved to pity as He saw their sad condition

poor - this is the word that is used for a beggar

they had great riches in the world but no spiritual treasure

blind - saw nothing clearly and had no spiritual vision

they lacked spiritual vision because they lacked spiritual life

naked - they lacked the robe of righteousness

without that robe man cannot stand before a holy God

The counsel of Christ to the church at Laodicea

buy gold that is tried in the fire

seek spiritual wealth instead of physical wealth
spiritual wealth is offered as a free gift
Christ promises that He will develop quality of character
this is the result of being tried in the fire

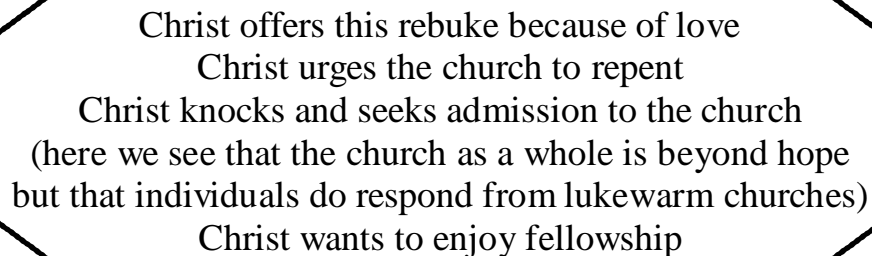

receive white raiment

white raiment is the robe of righteousness
we need the righteousness of Christ as a covering for our sin
the robe of righteousness will cover and take away our sin
we will no longer have the shame that accompanies sin

anoint the eyes with salve

without Christ we are spiritually blind - II Corinthians 4:3-4
the Holy Spirit gives us light and understanding

The appeal of Christ to repent

Christ offers this rebuke because of love
Christ urges the church to repent
Christ knocks and seeks admission to the church
(here we see that the church as a whole is beyond hope
but that individuals do respond from lukewarm churches)
Christ wants to enjoy fellowship

The promise to the overcomer

overcomer means a conqueror
Christ is the original overcomer - John 16:33, Hebrews 2:14-15
we are now to be overcomers through Christ
faith is the key to overcoming - I John 5:4-5
we are now to walk in faith - Colossians 2:6
overcomers will receive a reward
we will sit with Christ in His throne

The encouragement to listen to the Spirit

Christ wants us to listen
Christ wants us to respond in obedience

The Church Worships God

Revelation 4:1-11

the movement from earth to heaven - verse 1
the view of God on the throne - verses 2-3
the twenty four elders on the thrones - verse 4
the action from the throne - verse 5
the four living creatures and the saints worship before the throne - verses 6-11

Reasons why we say the church moves from earth to heaven

- 1, we move to the things which shall be hereafter (after the church age)
Revelation 1:19, Revelation 4:1
2. the next reference to the church it is called the wife
Revelation 19:7-10
3. four of the churches state that they will continue to exist until the coming of Christ
Revelation 2 and 3
4. the church is promised that it will be kept from the hour of trial
Revelation 3:10
5. we are placed “in Christ” at salvation - I Corinthians 12:13
believers in the tribulation are called saints but are not said to be “in Christ”
6. Christ comes for the church in I Thessalonians 4:13-18
Christ comes with the saints in Revelation 19 and 20
7. Christ meets the saints in the air - I Thessalonians 4:13-18
Christ touches on the Mount of Olives when He returns to rule - Zechariah 14:4
8. seventy weeks is for “my people” (the Jews) - Daniel 9:24-27
9. there are only three times heaven is opened in Revelation
 - a. for the church - Revelation 4:1
 - b. to encourage those on earth - Revelation 11:19
 - c. at Christ’s coming to rule - Revelation 19:11

The real key to understanding Revelation is our system of Biblical interpretation

**If we believe that the Bible is literal and interpret it literally,
we will make a distinction between Israel and the church in prophecy.
If we interpret the Bible allegorically,
we may confuse Israel and the church and not understand Revelation.
Matthew 5:17-18, II Timothy 3:14-17, II Peter 1:19-21**

The view of God on the throne

a throne was set in heaven (45 times in Revelation, 17 just in chapters 4 and 5)

set points to a permanent throne

this is in contrast to the temporary thrones of Satan and men

throughout Revelation, unknown things are described by things known

“And the first voice I heard was like a trumpet speaking with me” - 4:1

the voice is compared to the sound of a trumpet

God is described as He sits on the throne

He is like a jasper and sardius stone in appearance

a jasper stone is clear as crystal

a sardius is blood red

there was a rainbow around the throne

the rainbow looked like emerald - light green

complete circle gives us a picture of God's eternal grace

the throne speaks of a ruler or judgment

The twenty four elders on the thrones

they are not angels

angels do not receive robes of righteousness

angels do not receive crowns (rewards)

they are not Israel

the raptured are only those “in Christ” - I Thessalonians 4:13-18

the Old Testament saints will be resurrected at the end of the tribulation - Daniel 12

Daniel 12:1 speaks of the time of Jacob's trouble

Daniel 12:2-3 speaks of the resurrection the the Old Testament saints

Old Testament saints will be raised after 1290 and 1335 days - Daniel 12:11-12

Daniel will be raised at the end of those days - Daniel 12:13

the twenty four elders are the church

the church is clothed in robes of righteousness

Romans 3:22, Revelation 19:8

crowns are always pictured as the rewards of the church

The action from the throne

lightning, thunderclaps and voices come from the throne
these are the signs which preceded the actual arrival of a storm
the wrath of God will soon come on the earth
God has been holding back the storm because of His mercy
II Peter 3:9
the Holy Spirit is also present before the throne

The four living creatures and the saints worship before the throne

the four living creatures are probably cherubim - Ezekiel 10:20-21
the unknown can sometimes be described by the known

The four creatures	The arrangement of Israel around the tabernacle	The four Gospels
A lion	Judah on the east symbol was the lion	Matthew Christ is the King
A calf	Ephraim on the west symbol was the ox	Mark Christ is the Servant
A man	Reuben on the south symbol was a man	Luke Christ is the Son of Man
An eagle	Dan on the north symbol was the eagle	John Christ is the Son of God
	protected the tabernacle God's presence with man	fourfold picture of Christ

The ministry of the four living creatures

to proclaim the holiness of God - Isaiah 6:2-3, Philippians 2:9-11
to give glory, honor and thanks to God

The worship of the Father

worship comes from the word "worthship"
crowns are cast before the throne
crowns are rewards for service - I Corinthians 3:13-14
casting symbolizes that rewards are the result of grace
God is worthy because He is the Creator of all - Colossians 1:16, Ephesians 1:12
we need to make certain we will not be ashamed before Him - I John 2:28

Christ Takes the Scroll

Revelation 5:1-14

who is worthy to open the scroll? - verses 1-4
Christ is worthy to open the scroll - verses 5-7
the worship of the One who opens the scroll - verses 8-14

Who is worthy to open the scroll?

The scroll described

the scroll was written on the inside and on the back
the scroll pictures the need for a kinsman-redeemer
on the outside of the scroll was a description of what was to be redeemed
it might be property or some other item
it also would have a list of the qualified kinsmen
on the inside were written the three necessary details to redeem
he had to be a near relative
he had to be willing to act
he had to be able to pay the price of redemption
the book of Ruth is an illustration
the scroll was sealed with seven seals
seven is the number of God's perfection

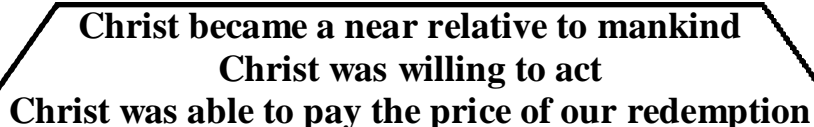

The question of the angel about who is worthy

a strong angel was not worthy
no man is worthy

The sorrow of John

no man or angel was worthy to be the redeemer of mankind

The three qualifications that Christ met that no one else could meet

Christ became a near relative to mankind
Christ was willing to act
Christ was able to pay the price of our redemption

Christ is worthy to open the scroll

the Lion of the tribe of Judah is worthy
the contrast between His first and second coming

Lamb	Lion
speaks of meekness	speaks of majesty
speaks of a Savior	speaks of a Sovereign
was judged as a Lamb	will judge as a Lion
speaks of the grace of God	speaks of the government of God

the Lamb was standing in the midst of the throne
seven horns - all power
seven eyes - all knowing
seven spirits - all present
the Lamb takes the scroll

The worship of the One who opens the scroll

the worship by the four living creatures and the elders

worship by falling down because God is fulfilling His promises - Psalm 110:1-7

worship with harps - an instrument of praise

worship with bowls of prayers - presentation of our prayers to Christ

worship is with a new song

this song will proclaim that Christ fulfilled the requirements of a Kinsman-Redeemer

He was slain to pay the price

He has redeemed us to God

He has made this payment with His own blood

worship is through our ministry as a kingdom of priests

the worship by the angels

worship is by an innumerable group of angels

worship is through a spoken rather than a singing voice - a great speaking choir

worship by proclaiming seven things Christ is worthy to receive

power, riches, wisdom, strength, honor, glory, blessing

the worship by all creatures - Philippians 2:9-11

worship by all creatures (this will eventually include Satan and the fallen angels)

worship by the four living creatures

worship by those who follow God

The Seven Seals are Opened

Revelation 6:1-17

the first seal is opened (antichrist) - verses 1-2

the second seal is opened (war) - verses 3-4

the third seal is opened (famine) - verses 5-6

the fourth seal is opened (death) - verses 7-8

the fifth seal is opened - verses 9-11

the sixth seal is opened - verses 12-17

The first seal is opened

the seals are opened by the Lamb

here we see that the rider of on the first horse cannot be Christ

the white horse

white is the color of peace or surrender

the cry of the world today is for a ruler who can bring peace

the rider on the white horse

he has a bow - but no arrows

this is in keeping with the white horse

he comes with a cold war rather than a hot war

a crown was given to him

this is not a sovereign ruler's crown but a victor's crown

this speaks of gaining victory after victory peacefully

until he has gained a position as world ruler

he gains these victories by promising peace

he went forth conquering and to conquer

here we see that he will accomplish his goal of becoming the world ruler

this rider is also the same rider on the following three horses

The second seal is opened

the red horse

red speaks of war and bloodshed - a fulfillment of I Thessalonians 5:3

here the antichrist is beginning to reveal his real purpose to take peace from the earth

the rider is given the power to do the following things

take peace from the earth - worldwide war and conflict

they shall kill one another - the nations will work to destroy each other

there was given to him a great sword

here we see this war will cause great loss of life - Daniel 11:40, Ezekiel 38 and 39

The third seal is opened

the black horse

black give us a picture of uncontrollable inflation which is followed by famine
we see that this often happens in periods following war

the rider on the black horse

he has a pair of balances in his hand
balances were used to weigh out and ration food
the situation will get so bad that men will eventually be forced to take the mark of the
beast to even buy or sell - Revelation 13:16-17

the cost of food

a day's wage will buy enough for one meal of wheat
a day's wages will buy enough for three meals of barley
(barley is usually food reserved for livestock)

the contrast of the very rich

oil speaks of toiletries and beauty aids
wine refers to all forms of liquor
the rich will have plenty while most of the people will be close to starvation

The fourth seal is opened

the pale (pale green) horse

this is a picture of the great death which the antichrist will bring to the earth

the rider is Death and Hades

Death and Hades

death refers to physical death

hades refers to spiritual death

power is given over 1/4 of the people of the earth

1/4 of the people will die as a result of the previous seals

many will die through war

many will die through famine

many will die through plagues and diseases which follow war

many will die through the wild beasts that will begin to attack man

(this will follow crop failures which leave them with no food)

The four horses of Revelation

the white horse - the antichrist

the red horse - war

the black horse - famine

the pale green horse - death

The fifth seal is opened

we are now at about the midpoint of the tribulation
the slain for the Word of God and for the testimony which they held

Who are they?

they are not Christians - the Christians are already raptured
they are not Old Testament saints - they will be raised at the end of the tribulation
they must be tribulation saints because their persecutors are still living

the slain request judgment for those who killed them

the white robes are possibly a symbol of the righteous glory of God
possibly similar to Adam and Eve before the fall
the slain are told to wait until those still to be killed in the tribulation are also killed
there are many more to die in the second half of the tribulation

The sixth seal is opened

this seal concludes the first half of the tribulation and we now are ready to enter the
second half known as the "Great Tribulation"

the opening of the sixth seal results in six catastrophic events

the great earthquake

this is a great worldwide earthquake

Ezekiel predicted a great shaking in the land of Israel at the time Gog comes against
Israel - Ezekiel 38:18-23

the sun becomes black as sackcloth of hair

as is a word of comparison to show what the sun look like not what it becomes

the moon becomes like blood

again a word of comparison

both look like they look when you look at them through thick smoke

the stars of the heaven will fall to the earth

a fall of meteors upon the earth will bring great destruction

they will be falling everywhere like figs in a great wind

the heaven departs as a scroll when it is rolled together

this is a reference to the atmosphere above us allowing destructive sun ray to
penetrate

every mountain and island are moved out of their places

no as or like so it is a literal moving of every mountain and island

Results of these six catastrophes

the world will try to hide from the wrath of the Lamb
this judgment will affect every class of people and no one will escape
chapter 6 closes with the question, Who will be able to stand?
chapter 7 answers this question before we go on to read about further judgment

The People Who Will Stand

Revelation 7:1-17

the announcement of the sealing of the remnant - verses 1-3

the sealing of the 144,000 - verses 4-8

the great multitude saved out of all nations - verses 9-17

this chapter answers the questions that was asked in the last verse of chapter 6

Who will be able to stand?

God is going to seal part of those saved during the first half of the tribulation
so that they will not be killed

The announcement of the sealing of the remnant

the four angels prepare to hurt the earth

these are the four angels who will bring great judgments during the tribulation

they are the angels that control the winds of the earth

they are going to completely stop the wind as a part of their judgment

the appearance of another angel

this angel comes from the east

this angel has the seal of God - a seal is a mark of ownership or possession

this angel will seal those that cannot be touched by the forces of Satan

the message of the fifth angel

wait to bring your judgments

the reason for the waiting period

God wanted to place His seal of ownership on a certain group of His servants so that Satan would not be able to touch that group during the second half of the tribulation

The sealing of the 144,000

the 144,000 are from the nation of Israel

these are literal individuals from each of the tribes mentioned

the reason why the tribe of Levi is included and the tribe of Dan excluded

since all are now believer-priests, there is no need for a priestly tribe

Dan was the first to turn from God to idols and so is excluded

Dan will reappear later in Revelation

the 144,000 are sealed so that they can be witnesses which Satan cannot destroy
during the last half of the tribulation

The great multitude saved out of all nations

the salvation of the great multitude

this multitude is more than any person can number

within this group are people of every:

nation - country

kindred - family group

people - tribe

tongue - language group

these will stand before Christ with white robes

this indicates that this great multitude is people who have placed their trust in Christ like the followers of Christ before His death, these will indicate their recognition of

Christ with palm branches

they will also proclaim that salvation is through both the Father and the Son

the rejoicing in heaven about this multitude

this great multitude will cause great rejoicing by all of the angels

this has always been one of the ministries of the angels - Luke 15:7, 10

the identity of this great multitude

the questions of one of the elders

who are these who are arrayed in white robes? from where did they come?

these are those who came out of the Great Tribulation

the Great Tribulation is the second half of the tribulation

there are three distinct groups of tribulation saints

those killed during the first half of the tribulation - 6:9-11

the 144,000 who are sealed - 7:4-8

the great multitude saved during the second half of the tribulation - 7:9-17

they are saved by the blood of Christ - they washed their robes in the blood

the reward of the great multitude

they will stand before the throne

here we see a contrast with the church

the church will sit on thrones and rule with Christ

the tribulation saints will serve Christ

they will experience the presence of Christ

Christ will provide all of their needs - food, drink, light, heat, leading

the Lord will remove all of their sorrows

The Opening of the Seventh Seal - Chapter 8:1

all of the remaining judgments on the earth are a part of this seventh seal
chapter 6 concluded by stating that the great day of the wrath of God had come
as a result, we now enter the point where God really exercises His wrath upon sin
when the seventh seal is opened, the amazement causes silence in heaven for
30 minutes

The Seven Trumpet Judgments

Revelation 8:2-11:19

the first six trumpets - 8:2-9:21
the mighty angel and the little book - 10:1-11
the ministry of the two witnesses - 11:1-14
the sounding of the seventh trumpet - 11:15-19

**the seal judgments show how man destroys himself when given the opportunity
the trumpet judgments show how the devil destroys mankind
when given the opportunity**

The angel who acts on behalf of Christ

seven angels are given seven trumpets

the first four angels bring judgment against the elements of nature
angels five and six bring judgment against man himself
this is the same pattern when God allowed Satan to attack Job
Job 1 Satan attacked the things which belonged to Job
Job 2 Satan attacked Job himself
however, Satan can do no more than God allows

another angel comes with a golden censer

the smoke of the incense is a reference to the worthiness of Christ - Ephesians 5:2
it is the worthiness of Christ which gives value to our prayers because
He promised to answer our prayers - John 14:14
the angel fills the censer with fire from the altar
throughout history the altar has shown the mercy of God toward mankind
now that altar is going to be an altar of judgment
the angel now casts the fire toward the earth
the results of this action
voices - God is the One who is directing what happens
thunderclaps - announce the coming of the storm of God's wrath
lightnings - God reverses the order of the thunder and the lightning
to clearly show that He is in control
earthquake - this is the response of the earth to the pressure of God's judgment

The first trumpet

Revelation 8:6-7

God follows the order of creation in this destruction
plant life was the first thing created after the heavens and earth
this judgment is produced by hail and fire mixed with blood
it destroys one third of the trees
it destroys all of the grass

The second trumpet

Revelation 8:8-9

the seas were all created on the third day
this trumpet brings the judgment on the seas
a word of comparison is again used to describe what hit the seas
it was like a great mountain burning with fire
this causes one third of the sea to become blood
this causes one third of the sea life to die
this causes one third of the ships to be destroyed

The third trumpet

Revelation 8:10-11

again we have a comparative description
a great star falls from heaven
it burns as though it is a lamp
this is an indication that it disintegrates
this star falls on one third of the waters and rivers
the name of the star is wormwood
this star causes contamination of the water
this star causes many people to die
this is the reverse of Exodus 15:23-25 where bitter water became sweet

The fourth trumpet

Revelation 8:12-13

the third part of the sun, moon and stars are smitten
here God proves that He is in complete control by cutting the days from
24 to 16 hours - Luke 21:25-26
here we see that God is able to alter the laws nature - Psalm 19:1-6 and Psalm 14:1
however, these judgments are nothing compared to those that follow
an angel announces three woes which will follow that will personally affect the
inhabitants of the earth in a much greater way than anything previous
the three final trumpets are very severe

**The fifth trumpet
Revelation 9:1-12**

the releasing of demonic spirits which look like locusts - verses 1-3

the star falling from heaven (Satan) - Isaiah 14:12-14, Luke 10:18
God allows Satan great power so that he can bring these great judgments on the earth
remember that the goal of Satan is always to destroy life
Satan is temporarily given the key to the bottomless pit in order
to release the demonic forces to bring their judgment
the smoke out of the pit is like the smoke of a great furnace
it is like a great volcano erupting
the sun and the air are darkened by the smoke
out of the smoke come the demonic spirits that look like locusts
they have power like scorpions

the activity of the demonic spirits - verses 4-6

the spirits do not touch the trees or crops
the spirits do not touch those who are sealed by God
the spirits do not have the power to kill
these limitations show that demons have no more power than God allows them
they do have power to hurt any who have rejected Christ
this power is given for only a limited time - five months
rather than kill, they will torment men with stings like scorpion stings
these stings will be so bad that men will wish for death
men will even attempt suicide but fail

the description of the demonic spirits - verses 7-10

throughout Scripture from Eden, demons have tried to use bodies for their activities
these demons look like horses prepared for battle
these demons have crowns of gold on their heads
these demons have faces that look like men's faces
these demons have hair that looks like women's hair
the demons have teeth that look like lion's teeth
the demons have breastplates that look like they are made of iron
the sound of their wings is like horses going to battle
their tails are like scorpions' tails - the stings are in their tails

the leader of the demonic spirits - verses 11-12

leader is probably Satan himself because the name means destroyer
Satan is the prince of the power of the air - Ephesians 2:2
Satan is the prince of this world - John 14:30

**The sixth trumpet
Revelation 9:13-21**

the loosing of the four angels - verses 13-15

these four angels are demonic spirits who have been bound by God so that they cannot do evil until their appointed time - Jude 6

the river Euphrates has always been the center of idol worship
Cain, Tower of Babel, Abraham came from there, Babylon
these demons go out at the exact moment God plans
year, month, day, hour

the purpose of these demons is to destroy one third of the population of the earth

the army that follows the four demons - verses 16-19

this army is an army composed of 200 million demons
this is a demonic army and not the army of men who will come against Jerusalem
the breastplates of the army look like

fire - red

jacinth - blue

brimstone - yellow

the weapons of these demons all come from hell

fire, smoke, brimstone

the fire, smoke and brimstone destroy one third of the population of the world

notice that it is the horses and not the riders which do the destruction

these demonic animals have their power in their mouth and in their tails

this is a war which involves the entire earth and not just one particular place

the results of this judgment - verses 20-21

one third of the population of the world is killed

mankind fails to repent of his evil worship

the worship of demons - this is rapidly increasing

the worship of materialistic idols - gold, silver, brass, stone, wood

these are idols which cannot see, hear or walk

mankind fails to repent of his sins

murders and thefts - these will become very common

sorceries (from pharmakeia) - used of the mixing of poisons and drugs used by magicians

we see a tremendous increase in drug influence that the antichrist will use fully

fornication - the emphasis on sex will greatly increase during the tribulation

Mankind Will Fail to Repent of Any of These Sins

The Mighty Angel and the Little Book

Revelation 10:1-11

the mighty angel seals the seven thunders - verses 1-4
the mighty angel announces the completion of the mystery of God - verses 5-7
the commandment to John to prophesy again - verses 8-11

The mighty angel seals the seven thunders

the appearance of the mighty angel

the mighty angel is clothed with a cloud
this is a reminder that Christ is coming soon - Acts 1:6-11, I Thessalonians 4:13-18
the mighty angel has a rainbow is on his head
the rainbow is a symbol of God's mercy - Genesis 9:1-7
mercy is available even when judgment is coming immediately
the face of the mighty angel is as though it were the sun
the angel is reflecting the radiance resulting from being with God - Exodus 34:29-35
the feet of the mighty angel are like pillars of fire
fire is used to picture coming judgment

the action of the mighty angel

the mighty angel had the opened scroll in his hand
the seven seals have been opened and the time is coming close for Christ
to take possession of the earth
the scroll is the title deed to the earth
Satan is a squatter who has taken possession of something which does not belong to Him
the mighty angel places one foot on the sea and one on the earth
since Christ is the only one who can open the scroll,
the mighty angel is getting ready to take possession of the earth in the name of Christ
the people of the earth are compared to a great sea
later in the book we will see that this could also be a reference to the fact that Christ is
the owner of all the peoples of the earth, both Jew and Gentile

The seven thunders

the seven thunders are an additional series of judgments which are not described
God has some purpose for not revealing the nature of these thunders

The mighty angel announces the completion of the mystery of God

the mighty angel announces that there will be no more delay
this is done in the name of Him who created all things
this mystery is to be completed in the days of the seventh angel - Revelation 11:15
this verse shows that this mystery is the kingdom in which Christ will rule on earth
the kingdom is explained by a number of parables in Matthew 13
the prophets have repeatedly spoken of the kingdom in which Christ will rule
in order for this kingdom to be established,
the judgment of this earth must be completed first

The commandment to John to prophesy again

John is commanded to take the scroll and eat it

it is the Lord who speaks from heaven and tells John to eat the scroll
to eat, means to take the Word of God and study it until we understand it
Jeremiah 15:16, John 6:51-55, 63
John is told to take these prophecies and study them until he understands them
Christ says that this study will produce bitterness in his stomach
even though it will be sweet to his taste

John eats the scroll

the prophecy was sweet to his mouth
the message that Christ is about to establish His kingdom is a sweet message
in fact this was the last question that the disciples asked Christ - Acts 1:6
Will you at this time restore the kingdom to Israel?
the prophecy was bitter to his stomach
as John gave the message further thought, he was filled with great sorrow
as he saw the great judgment that must come on the earth
before the kingdom could be established

John is told he must prophesy again

this means that he must give a review of the judgments up to this point
including additional information before telling of the remaining judgments

here we see the mercy of God again

God is giving mankind another opportunity to repent
before the final judgments come upon the earth

The Ministry of the Two Witnesses

Revelation 11:1-14

the measuring of the temple - verses 1-2
the ministry of the two witnesses - verses 3-6
the death of the two witnesses - verses 7-10
the resurrection of the two witnesses - verses 11-14

The measuring of the temple

the measuring of any object in Scripture was an indication that someone was preparing to take possession of that object

Christ here tells John to measure the temple and those who worship in it to see if they meet the standard of God

this measuring shows that both Israel and the nations fail to meet the standard of God
the outer court shows that God is about to finish the times of the Gentiles because a time limitation is now placed on their activity

God says that the times of the Gentiles will end at the conclusion of the 1260 days

The ministry of the two witnesses

the two witnesses are given power by God

here we see that God prepares the two witnesses to do miracles as a part of their ministry

the two witnesses are told to prophesy for 1260 days

is this the first half or the second half of the tribulation?

the first half

it is necessary for someone to witness to the 144,000

and also to the saints who will be killed during the first half of the tribulation

the identity of the two witnesses

Scripture identifies one as Elijah - Malachi 4:5-6

since the miracles similar to those Moses did in Egypt, Moses is possible

both Moses and Elijah were used by God to bring judgment on men

Elijah - II Kings 1:9-12

Moses - Numbers 16:29-33, 35

the judgment of those who try to hurt the two witnesses

the two witnesses have fire go out of their mouths to destroy

the two witnesses have power to stop the rain

the two witnesses has power to turn water to blood

the two witnesses have power to bring various plagues

The death of the two witnesses

God will allow the antichrist to kill the two witnesses
when they have completed their ministry
however, this will be for the purpose of showing the power of God - Romans 8:28
the bodies of the two witnesses will be left laying in the streets of Jerusalem
this shows the spiritual condition of the Jews at the time of their death
Jerusalem is spiritually called Egypt and Sodom
this is a further indication that this occurs at the middle and not the end of the tribulation
the people of the world will refuse to allow their bodies to be buried
this is a real picture of the rebellion of man against God
man rejoices to see those who proclaim judgment destroyed
their dead bodies will be the major thing people watch for three days
the people will show their rejoicing by exchanging gifts
just as we send gifts at Christmas because of what Christ has done,
people will send gifts in that day because of what the antichrist has done
this is the only time in Revelation where we read of the people on earth rejoicing

The resurrection of the two witnesses

God will give life to the two witnesses

the spirit of life will enter them
they will stand on their feet
great fear will come upon all who see them
men will be forced to recognize that God is more powerful than the antichrist
here God gives men a public demonstration of who is actually in control

God will take the two witnesses to heaven

God will speak with a loud voice so that the entire earth can hear
God calling them to heaven
the entire earth will watch as they are taken to heaven
this is in direct contrast to the ascension of Christ or the rapture of the church
here the people on earth are again reminded that God is in complete control

God will bring an immediate judgment on the earth

a great earthquake will destroy 1/10th of Jerusalem
this earthquake will kill 7,000 men
this earthquake will produce great fear
this earthquake will force men to recognize that God is in control
even though they fail to recognize Him as Lord

God promises that this judgment will be followed quickly by the third woe

**The seventh trumpet
Revelation 11:15-19**

This trumpet prepares for the coming of Christ

this trumpet will contain seven bowl judgments which will pour the wrath of God upon the earth and finish His judgment so that Christ can come to rule
the angel announces that Christ will soon rule
the world will be a part of this rule
the reign of Christ will last forever and ever

The church worships to hear that Christ will rule

the elders fall on their faces in worship
the elders give thanks
the elders recognize that Christ is the One who is the same forever
the elders recognize that Christ has all power
the elders recognize Christ as ruler

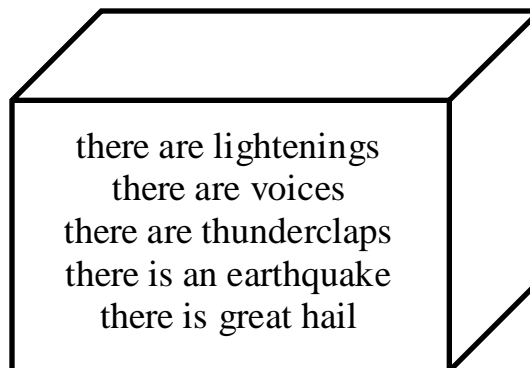

The world rebels to hear that Christ will rule

the time of God's wrath has come and the world knows that it cannot stand
the people of the world are angry as they face judgment
the people of the world are angry that God will reward His followers
the people of the world are angry that God will judge evil men and Satan

The temple of God is opened in heaven

the ark of His covenant is in heaven
this ark disappeared near the time of Jerusalem's destruction in 586 B.C.
God prepares to pour out His final judgments

the world experiences five warnings of judgment

The War by Satan Against God

Revelation 12:1-17

the former attempts by Satan to destroy Israel - verses 1-5
the future attempts by Satan to destroy Israel - verses 6-17
the promise of continued life for Israel - verse 6
the conflict in heaven - verses 7-9
the rejoicing in heaven at Satan's fall - verses 10-12
the devil pours out his anger against Israel - verses 13-16
the devil pours out his anger against the remnant - verse 17

The former attempts by Satan to destroy Israel

the identity of the woman - verses 1-2

let Scripture interpret Scripture

the woman is clothed with the sun, moon and twelve stars

Genesis 37:9-11 shows that this is Israel

(verses 13-15 show that it could not be Mary because the woman will still be suffering persecution during the tribulation)

the woman brings forth a child who is identified in verse 5 as the One who will rule the nations (Christ)

the nation of Israel suffered greatly before the birth of Christ because Satan tried two specific ways to wipe out the promises of God about Christ

Satan tried to destroy:

the lineage (family line) of Christ - verse 2

the life of Christ - verse 4

efforts of Satan to destroy the lineage of Christ

the murder of Abel - Genesis 4:8

corruption of the line prior to the flood Genesis 4:25-6:2

the sin of Noah - Genesis 20-27

Ishmael - Genesis 16:1-16

the attempts of Saul to kill David - I Samuel

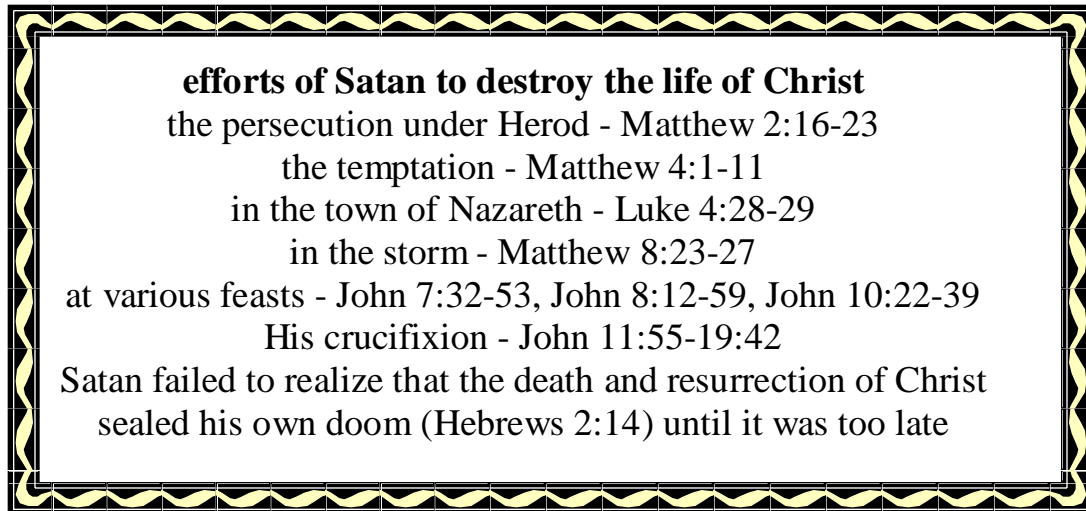

Jehoram tries to destroy the royal family - II Chronicles 21:4

Athaliah tries to destroy the royal family - II Kings 11:1-3

Haman tries to destroy the Jews - Esther 3:8-9

the identity of the red dragon - verses 3-4

he is identified as Satan in verse 9
red - Isaiah 1:18 tells us that sin is red not black
dragon - a picture of Satan's cruelty
seven heads - picture his wisdom before his fall
the heads also show that Satan is the one who gives power to the antichrist
the ten horns also relate Satan to the antichrist
the seven crowns show that Satan is the complete authority and ruler of the antichrist
Satan drew one-third of the stars after him
these are the fallen angels who became demons
these were cast to the earth to carry out their demonic activities
against all nations and especially against Israel
since Satan failed in his attempts to destroy the lineage of Christ,
he prepared to destroy the life of Christ

the identity of the child (Christ) - verse 5

this is the Promised One who will rule all nations
this is the One who will rule with a rod of iron
this is the One who was caught up to heaven - Acts 1:9-11
this is the One who sits on the right hand of the throne of God - Hebrews 1:3
the removal of Christ from earth to heaven in Acts 1:9-11
gives us a time lapse between His first and second comings
during that time lapse Christ has not forgotten Israel
Christ is still verse concerned about the future of Israel
Christ shows this concern by the action taken in verse 6
in verse 6 we see that Christ will preserve Israel prior to His second coming

The future attempts by Satan to destroy Israel

the promise of continued life for Israel

before God tells about the attempts of Satan to destroy Israel,
God promises to provide protection
God will prepare a place to protect Israel
God will provide for the needs of Israel
God illustrated His provision for Israel for 40 years in the wilderness
God will provide for Israel during the last half of the tribulation

the conflict in heaven

Michael, the angel who has been the special protector of Israel (Jude 9),
is commissioned by God to expel Satan from heaven
presently Satan still has access to heaven so that he can be
the accuser of the brethren - Job chapters 1 and 2, Revelation 12:10
the angels of God will fight against the angels of Satan in this battle
the angels of God will cast out Satan and his angels so that they will have no more
opportunity to enter into heaven
the great dragon, that old serpent, called the Devil and Satan is cast out
old serpent - deceiver
Devil - slanderer
Satan - adversary
he is the one who has deceived the whole world
he is cast to the earth
as a result, he is no longer present in any of the three heavens - Ephesians 2:2
his activity is now limited to earth where he will seek to bring all possible judgment
this is the reason why it will be so terrible during the last half of the tribulation
the angels of Satan will also be cast out with him

the rejoicing in heaven at Satan's fall

now heaven will be able to enjoy the full benefits of heaven
without the presence of Satan
heaven will also rejoice because Satan will no longer be able to be
“the accuser of the brethren”
Satan has done this both day and night in the past and present
the victory over Satan is obtained by three things
(these are the same three things we use for victory over Satan today)
see the chart on the next page

The three things used for victory over Satan

They overcame him by the blood of the Lamb

the blood of Christ purchased eternal redemption for us - Hebrews 9:12
the blood of Christ is able to save us to the uttermost - Hebrews 7:25
the blood of Christ makes it possible for Him to be our Advocate - I John 2:1
the blood of Christ makes us more than conquerors - Romans 8:37-39
the blood of Christ makes victory possible for us - Romans 6:11-13

They overcame him by the word of their testimony

Christ defeated the devil by the Word - Matthew 4:4, 7, 10
Christ says we will obtain victory through the Word - Ephesians 6:10-18
most of the weapons are defensive
the Word and prayer are the only weapons for offence
Christ says the Word will force the devil to flee - James 4:7-8

They loved not their lives unto the death

this is the same attitude which Paul displayed in Philippians 1:21-24
(this is the same attitude which we should have)
we can rest in complete confidence knowing that God will complete His will
through life or through death - II Timothy 1:12, Acts 20:24
our victory is assured through Christ - I Corinthians 15:57-58

The results of Satan's fall from heaven

heaven is able to rejoice at the fall of Satan
earth is about to experience the full revenge of the devil
his fall brings the third woe to the earth
the devil is going to show his wrath against the earth
the devil is going to show his wrath against the sea
the devil is limited to the earth in his activities
the devil is filled with great wrath
the devil knows that his time is short

The devil pours out his anger against Israel

when the devil sees that he is limited to the earth,
he will single out Israel for his wrath
God will provide the protection that Israel needs when the antichrist
pours out his wrath against Israel

on eagle's wings

God is called an eagle in Exodus 19:4 and Deuteronomy 32:9-11
in both passages God protected Israel
God will provide a place of protection for Israel in the wilderness
this protection will last for the last half of the tribulation
the devil pours out a flood to destroy Israel as God takes Israel into the wilderness
God has protected Israel from two literal floods in the past
God protected Israel at the Red Sea - Exodus 14:13-31
God protected Israel at the Jordan River - Joshua 3:14-17
God will again protect Israel from a flood
this could also be a reference to armies which overflow Israel
although actual water is more probable
God will open the earth to swallow this flood
God has opened the earth in the past - Numbers 16:31-33

The devil pours out his anger against the remnant

when defeated in his attempts to destroy Israel,
the devil will turn his anger against the 144,000
the 144,000 are the ones who keep the commandments of God
the 144,000 are the ones who share the testimony of Jesus Christ
the 144,000 are the ones who have been saved
spiritually (Revelation 14:1-5)
and physically (Revelation 7:4-8)
so that Satan cannot touch them
as a result, Satan will again be frustrated in his attempts to get even

**Revelation 13 will give us the methods that Satan
will use to accomplish his purpose
and does not enter into the chronology**

The Unholy Trinity

Revelation 13:1-18

the worship of the beast - verses 1-4
the activities of the beast (antichrist) - verses 5-10
the rise of another beast (false prophet) - verses 11-18

Throughout history, Satan has tried to imitate Christ

this chapter provides Satan's two greatest imitations
he tries to imitate the trinity
he tries to imitate the death and resurrection of Christ

the unholy trinity imitation
God the Father - Satan
God the Son - the antichrist
God the Holy Spirit - the false prophet

The worship of the beast

the appearance of the beast (antichrist)

the beast came up out of the sea
the I should probably be he so this is Satan watching the beast
come up out of the sea
Satan is looking for a man who will completely yield to his control
the meaning of the sea - Revelation 17:5
this is a reference to the Gentile nations of the world
when the peoples of the world are in a restless condition,
Satan sees his opportunity - Isaiah 57:20-21

the beast will have political power to exercise his activity

he will have ten kings under him (ten horns)
Daniel 7:24 and Revelation 17:12 state this precisely
he will have seven heads

Revelation 17:9 says the seven heads are seven mountains on which the woman sits
this is a possible reference to the city of Rome, the city of seven hills
since the Roman empire is the fourth empire which will be revived
seven heads may be a possible reference to the seven dynasties of the Roman Empire

the beast combines all of the bad features of the various empires

like a leopard feet of a bear mouth of a lion	Greece MedoPersia Babylon	brilliance, culture, swiftness strength, tenacity of purpose, brutality autocratic and majestic power
---	---------------------------------	---

Satan will give him power, a throne and great authority
the way this world leader will gain power

one of the heads was wounded as though it was wounded to death

the antichrist will appear to die and then be raised to life again

he will not actually die because the devil does not have the power to give life
here we see that the devil will imitate the death and resurrection of Christ in the
antichrist

this will be the thing which will totally deceive the world - II Thessalonians 2:9-12
this seeming miracle will cause the entire world to worship Satan

men will feel that no one is greater than the antichrist
men will be afraid to challenge him

The activities of the beast (antichrist)

the length of his activity

he will speak great things

he will speak blasphemies

he will only speak for 42 months

the four types of blasphemy which he will speak

against God - the devil thinks he can hurt God not realizing he is untouchable
against the name of God - Satan knows the power of the name of God and does
everything to resist it

against the tabernacle of God - the residence of God in heaven

against the people of God that dwell in heaven - he will focus world attention on
those who were raptured and blame them for all the evil that is happening

the temporary victory by Satan

since the devil cannot touch the Jews, he will turn his fury against the tribulation
saints

God will allow Satan to have temporary victory over the saints

this temporary victory will extend to all nations

there will be universal worship of the antichrist

the only exception will be those who had their names written in the book of life
before the foundation of the world

God tells believers not to resist the antichrist

believers have much to gain by death

those who destroy or capture believers will be destroyed or captured

the saints are encouraged to have their patience and faith in the promises of God

The rise of another beast (the false prophet)

the first beast is a political leader
the second beast is a religious leader
this leader will head the ecumenical church which goes into the tribulation
(this is the religious who have never placed their personal faith in Christ)

the appearance of the second beast

he will come up out of the earth
the first beast came up out of the sea
he has two horns like a lamb but speaks like a dragon
here we see that he tries to give the appearance of meekness
his real character is to speak with great authority to further the work of Satan

the activity of the second beast

he exercises all the power of the first beast
here we see that he has great power
however, this power is not exercised on behalf of himself
just as the Holy Spirit testifies of Christ, the second beast testifies of the antichrist
the second beast will cause everyone to worship the antichrist
failure to follow his command to worship will result in death

he does great miracles

God allows Satan to exercise great power in his efforts to deceive the people of the earth

Satan is already exercising great power which he is using to deceive the nations

he deceives the people of the earth

miracles are the thing that Satan uses to deceive the people - II Thessalonians 2:12
following this deception, the false prophet will cause the people of the earth to make
an idol to the antichrist so that they can worship it

this image is to the beast not of the beast - The Abomination of Desolation

the mark of the beast

the false prophet will appear to give life to the beast
since the devil does not actually have the power to create or give life,
this will probably be an evil spirit speaking through the mouth of the beast
the false prophet will bring death to all who refuse to worship the image of the beast
this death will affect all classes of people
this mark will be obvious to all
mark refers to an impressed mark or engraving
this mark must be seen to buy or sell

*the great multitude that dies during the last half of the tribulation will be believers
who refuse to accept the mark of the beast*

the number of the false prophet is the number of man - 666

The Final Triumph of Christ

Revelation 14:1-20

the 144,000 with Christ on Mount Zion - verses 1-5
the messages of the angels - verses 6-13
a preview of the final battle of Armageddon - verses 14-20

chapter 12 describes the conflict between God and Satan
chapter 13 describes the worship of the antichrist
now chapter 14 assures us that Christ will be the victor
before giving us the detailed instruction about that victory

The 144,000 with Christ on Mount Zion

the Lamb on the mountain

this is interpreted by Psalm 2:6 which says Christ will rule from Mount Zion
the 144,000 who stand with Christ are those who have come through the tribulation
untouched by Satan because they are sealed

here we see that this passage points to the fact that Christ will be victorious
and will rule the earth

God will take the 144,000 just as He took Daniel through the lion's den
and Daniel's three friends through the fiery furnace

the harmony of heaven and earth

the harpers will provide music for the 144,000 on earth to sing praises to God
this will be the first time of harmony between heaven and earth since the fall of
Adam

the rule of Christ on earth will make this harmony possible
the 144,000 will sing a song which no one else can learn
the 144,000 will be those who remain pure so that they can serve Christ most
effectively

the 144,000 follow Christ wherever He goes
the 144,000 are only the firstfruits

this is an indication of the great spiritual harvest that will come from Israel
Romans 11:25-26 promises that great numbers of Israel will turn to Christ
the spiritual perfection that the 144,000 will have in the kingdom

there will be no guile
there will be no fault

once we place our trust in Christ,
we also stand without sin in the sight of the Father

The messages of the angels

the message of the everlasting Gospel

God has used many methods to bring the Gospel to the earth
today we are His messengers - II Corinthians 5:18
the two witnesses will be His messengers during the first half of the tribulation
during the final part of the tribulation,
God will use an angel as He did many times in the Old Testament
since angels cannot be destroyed, Satan will not be able to touch him
the proclamation of this message will be universal
this angel will be flying in the midst of the atmosphere above the earth
the emphasis of this message

fear God and give glory to Him

the fear of the Lord is the beginning of wisdom - Proverbs 9:10
here we see that men are encouraged to trust in Christ
this message is to be preached to many people
to those who dwell on the earth
to every nation
to every kindred
to every tongue
to every people
this angel will have a message like Jonah
the hour of His judgment is come
men are warned to repent because judgment is very near
the angel will also remind mankind that God is the One who made all things

the message of the fall of Babylon

Babylon has always been the center of the development of anti-God religion
as a result, God uses Babylon to picture a number of things
the literal city
the city of Rome - I Peter 5:13
the religious system - Revelation 17
the political system - Revelation 18
God is going to bring an end to all political and religious systems
as well as the cities which have produced those systems
because those systems and cities have corrupted all nations

The message of the judgment of the worshippers of the beast

the message of judgment is for all who take the mark of the beast
men will be required to blaspheme God in order to receive that mark
they will receive the full judgment of God
God has shown His mercy for a long time but now judgment must come
this judgment will come without being diluted
this judgment will be the torment of the lake of fire and brimstone
this judgment will be seen by the angels and Christ but not the saints
this judgment will be eternal
the tribulation saints are told to be patient as they wait for God to judge evil
those who die for Christ are promised certain benefits
they will rest from their labors
(they will no longer need to fear persecution)
their works will follow them
II Corinthians 5:10 says we will all appear at the judgment seat to be rewarded
the tribulation saints will receive great reward

The preview of the final battle of Armageddon

Armageddon is a campaign of many battles but this is the final battle
the harvest is ripe for judgment
Christ is the One who is the Righteous Judge
Christ is also the King who is wearing a golden crown
Christ, as Judge, has a sharp sickle in His hand
another angel is chosen by God to do the actual reaping
this angel is instructed to gather the grapes that are fully ripe
fully ripe - to dry up or wither
this indicates that judgment has been withheld for a very long time
this angel casts men into the great winepress of God's wrath
a winepress was an indentation in the rock
grapes are placed in it and tramped upon until the juice runs down a low trench
to a depression where it is dipped out
this judgment will happen outside the city of Megiddo
(hill of Megiddo or Armageddon)
this city is in the north end of Israel at the head of a valley
which becomes the Jordan River valley
blood will fill the entire valley (over 160 miles) to a depth of four feet

This prepares us for the details of the final triumph of Christ

The Seven Bowl Judgments

Revelation 15:1-16:21

the introduction to the bowl judgments - 15:1
the final opportunity for man to repent - 15:2-8
the seven bowl judgments - 16:1-21

The introduction to the bowl judgments

these judgments are from God to vent His wrath against sin
there are a total of seven plagues in this last judgment
these will demonstrate God's wrath against sin

The final opportunity for man to repent

just before God brings His final judgments which will pour out His wrath against sin,
God gives another view of heaven so that mankind will have one more opportunity
to choose to trust in Christ

the singing of the tribulation saints

these saints are standing on a sea of glass that looks like fire
this is the area in front of the throne of God - Revelation 4:1-6
the saints who are singing come from the tribulation because they have been
victorious over the beast and his number

these saints will play the harps of God and sing the song of Moses - Exodus 15:1-21
that song is a song of deliverance

these saints will also sing the song of the Lamb
this song points out the greatness of the works of Christ
this song points out that Christ is the Almighty God
no one can be compared to Christ and His power
Christ is the One who is Just
His ways are truth
He is the King of the saints

Christ is the One that men must fear and worship

Christ is the One who is holy
one day all nations and peoples will be forced to bow before Him
and recognize that He is God
mankind will be forced to recognize that the judgments of Christ are right

the final offer of mercy

the temple of the tabernacle of testimony is opened
Revelation 11:19 tells us that the ark of the covenant is in this temple
the ark has the mercy seat on the top where the blood was placed
on the day of atonement
the temple is still open and mercy is still available until the very last moment
when God pours out His wrath

The seven angels with the seven final judgments

the appearance of the angels

the angels come out of the temple
this indicates the fact that the final judgments come from the holiness of God
and not from any desire for revenge
the angels are clothed in pure and white linen
the clothing pictures righteousness - Revelation 19:8
this is an indication that the judgments of God are righteous
the angels have their breasts girded with golden girdles
this is the way that Christ was clothed in Revelation 1:13
these angels are the representatives of Christ as they pour out the final judgments

the angels receive the bowls of wrath

these bowls are filled with the wrath of God
these bowls come from the unchangeable God who lives forever

the temple is filled with the glory of God

in the Old Testament, the temple was filled with glory and the only time men
could enter it was to place blood on the mercy seat as a covering for sin
now we see that the temple cannot be entered until judgment is completed
when the mercy of God is rejected, the wrath of God must be brought to remove sin
God has shown His mercy throughout the ages
the time has come when judgment must now begin
II Peter 3:9-10

The first bowl

the angels are all instructed to pour out their bowls
as a result, these judgments will follow each other very closely
the first bowl is a foul and painful sore
foul deals with the smell
painful - these will apparently be malignant and open sores
which are even more painful than leprosy or cancer
the first bowl is only poured on those who have the mark of the beast
like the nation of Israel in Egypt,
God makes a separation between His people and unbelievers

The second bowl

although some of these judgments are similar to the trumpet judgments,
they are much more severe
in the second trumpet 1/3 of the sea life is destroyed
in the second bowl judgment the following things happen:
all of the water in the oceans becomes like the blood of dead men
every living thing in the sea dies

The third bowl

the third bowl is poured out on all the fresh water of the earth
this causes all of the water on the earth to turn to blood
the angel announces that God is righteous because He has judged mankind
in the same way that mankind persecuted the saints
men are forced to drink blood because they have shed the blood of prophets and
saints
the angels are in agreement about the character of God
He is the Almighty One
He is the True One
He is the Righteous One

The fourth bowl

just as the fourth trumpet affected the sun, the fourth bowl also affects the sun
however, it has the reverse effect
this judgment causes the sun to scorch men with heat
instead of repenting, men blaspheme God because of the heat
they refuse to repent
they refuse to give God the glory

The fifth bowl

at the same time that the sun gives greater heat from the fourth bowl,
there will be no light because God will use the fifth angel to bring darkness
to the kingdom of the beast
this is a darkness which covers the entire earth
this darkness will also intensify the pain of the first bowl judgment
men will gnaw their tongues for pain
men will blaspheme God because of their pain and sores
men will refuse to repent of their deeds

The sixth bowl

the sixth bowl is directed at the Euphrates River to prepare for the battle of
Armageddon
the river is 1800 miles long and is so large that it is navigatable for 900 miles
this river has always served as a barrier and divider between the east and the west
this bowl will cause the river to dry up so that the way will be prepared for the kings
of the east to come against the nation of Israel without any barriers
Satan will see this as his perfect opportunity to destroy the nation of Israel
Satan will send out his demons to gather all of the armies of the world together by
persuading their kings to come and fight against Israel
God allows Satan to gather all the armies of the world for destruction
God will allow Jerusalem to be captured before He enters the battle - Zechariah 14:1-
3

Christ will then come as a thief to destroy the gathered armies
since there is no other hope, Israel will be forced to look to the Lord for help
Christ will then judge the armies gathered together in the Valley of Armageddon

The seventh bowl

just as Christ said "it is finished" as He hung on the cross,
the Father will say "it is done" when the seventh bowl is poured out
this seventh bowl will be a great earthquake
it will be accompanied by voices, thunders and lightnings
this earthquake will be greater than any previous earthquake
the destruction of this great earthquake
the great city will be divided into three parts
all the cities of the earth will be destroyed
great Babylon will be destroyed - chapters 17 and 18 give more detail
the islands will be destroyed and the mountains will be flattened
hailstones about 100 pounds in weight will fall on the earth causing great destruction
Men will continue to blaspheme God for this judgment

The Destruction of Babylon

Revelation 17:1-18:24

The destruction of spiritual Babylon - Revelation 17
The destruction of political Babylon - Revelation 18

in the seventh bowl judgment we saw that Babylon was destroyed
chapters 17 and 18 tell us more about that coming destruction

The origin of Babylon

Babylon was the first major civilization after the flood
it was founded by Nimrod who was a mighty hunter against the Lord - Genesis 10:8-10
Babylon was originally built by Nimrod for the purpose of defying God
the wife of Nimrod was Semiramis - a woman more wicked than Jezebel
Semiramis originated the Babylonian religion which included many secret rites
these secret rites included idolatry, consecrated prostitution and sprinkling holy water
Semiramis outlived Nimrod by 42 years
she later gave birth to a son named Tammuz (Ezekiel 8:14-16) as a result of immorality

Semiramis claimed Tammuz was the fulfillment of Genesis 3:15
Semiramis also claimed that Tammuz was virgin born
and she was the “queen of heaven” who was sinless

these basic rites of the religion of Babylon were the basis of all of the religions of
Canaan, Egypt, Phoenicia, Assyria, Greece, Rome and many other countries
when Israel turned away from God, it adopted many of these same practices
the god, Baal, was identical with Tammuz
when Christianity became the state religion under Constantine, these practices also came
including virgin mother and child teaching, images, sprinkling holy water and many
others

present day religious Babylonianism

modern liberals have surpassed Rome in the incorporation of Babylonianism
the ecumenical movement is laying the groundwork for development of a one-world
religion which was the dream of Nimrod and Semiramis
Mystery Babylon is the one-world religion that the antichrist will use to gain world
power

present day political Babylonianism

the Babylon of Revelation 18 is the commercial and political version of apostate religion
which will find its headquarters in the rebuilt city of Babylon which will be rebuilt

The Apostate Church of the Tribulation - Revelation 17:1-6

the great harlot that sits on many waters - verses 1-2

the appearance of the harlot - verses 3-4

the name of the woman - verse 5

the persecution by the woman verse 6

the great harlot that sits on many waters (organized religion)

one of the angels invites John to see the judgment of the harlot

the great harlot sits on many waters

the waters are defined as the peoples of the earth in verse 15

the kings of the earth have committed fornication with the harlot

this is a reference to the fact that there will be a union

between the church and the state in the time of the antichrist

the harlot has caused the people to become drunk with the wine of her fornication

this is a reference to the fact that the earth has become controlled

by the religious forces which are against God

the appearance of the great harlot

apostate religion rides the beast (antichrist) during the first half of the tribulation

the antichrist allows this because it helps him to rise to power

the beast is full of blasphemy

this shows how completely apostate religion compromises to gain power

today the ecumenical church is making accommodations to unify all world religions

the clothing of the harlot is purple and scarlet

the harlot is covered with great outward riches

the harlot has a golden cup in her hand

this symbolism is used in the Old Testament to picture those who claim to worship God

while they are actually serving other gods

the word "harlot" here speaks of professing believers who are unfaithful to God

the name of the woman

Mystery, Babylon the Great, the Mother of Harlots and Abominations of the Earth

the true church was a mystery that was not revealed until Ephesians 3

the false church was a mystery that was not revealed until the writing of Revelation

this religion is the mother of all false religions

these religions will be bound together by their rebellion against God

the persecution by the woman

organized religion will be the leader in the persecution against the saints

so many saints will be destroyed that apostate religion is described as drunk with blood

The Destruction of Apostate Religion - Revelation 17:7-18

the description of the beast (antichrist) - verses 7-13

the war against the Lamb - verse 14

the defeat of the beast - verses 15-18

the description of the beast

his origin - verses 7-9

the beast was

here we see that the empire from which the beast will come was in existence at one time

the beast is not

here we see that the empire would cease to be an empire for a period of time

(we will see that this empire is the Roman empire in the following verses)

the beast is about to come out of the bottomless pit

here we see that the beast will come from a ten kingdom federation which is an outgrowth of the Romans Empire

the beast will go into perdition

the last empire from which the beast comes will be destroyed at the coming of Christ

the entire world will be amazed at the development of this empire and the beast

that comes from it

the seven heads are seven mountains on which the woman sits

this is a clear reference to the fact that the empire from which the beast comes is the

Roman Empire

Latin poets often referred to Rome in this way

the Romans coins referred to Rome as the city of seven mountains

the seven kings - verses 10-11

this would have reference to either the seven dynasties of the Roman Empire

or to the seven world empires

the facts of both would have fit the description of John in these verses

the beast is the eighth power and comes out of the seven

this is an indication of the fact that the antichrist attitude which has been a characteristic of world empires will reach its full activity under the antichrist

the ten horns - verse 12-13

the ten horns are ten kings which will all give the power of their federated kingdoms to the antichrist

these will rule until they have completed their purpose (hour - see use in Luke 22:53)

these kings all think alike and have as their desire to give power to the antichrist

they will be a source of military strength to the antichrist

The war against the Lamb

the antichrist and the military power of these ten nations will attempt to destroy Christ
this battle will be a part of the War of Armageddon in which all the of the armies
of the evil one will be destroyed

Christ is the One who is Lord of lords and King of kings
we also see that the saints will be with Christ as He wins this victory over the antichrist

The defeat of the beast

the waters where the harlot sits

here we see that apostate religion will be worldwide in its influence and control

the ten kings hate the harlot

here we see that the antichrist and the kings which follow him actually hate organized
religion

the antichrist has only made an unholy alliance with religion in order to expand his
power and influence worldwide

when the antichrist has gained control, he will break his alliance with Israel and also
with apostate religion

he will destroy the very ones who help him get power
the antichrist will then take all of the wealth, possessions and everything else

that belongs to apostate religion so that it will be completely destroyed

the leaders will either take the mark of the beast or die
since the religious leaders have already blasphemed Christ,
most will probably take the mark of the beast

the kings will actually be doing the will of God by destroying apostate religion

God has often used evil nations to judge other nations
the kings will actually place the control of their kingdoms under the beast
until the Word of God is fulfilled

the woman is identified as that great city which rules over the kings of the earth

here is another indication of the fact that organized religion will be centered in Rome
when apostate religion is destroyed,

the situation will be no better because then worship
will be focused on the antichrist and Satan - Revelation 13:4

The Destruction of Commercial and Political Babylon - Revelation 18:1-8

throughout this chapter we will see that the emphasis is on the destruction
of the city of Babylon - verses 2, 10, 16, 18, 19
this destruction will take place after the events of chapter seventeen
because the chapter starts “after these things”

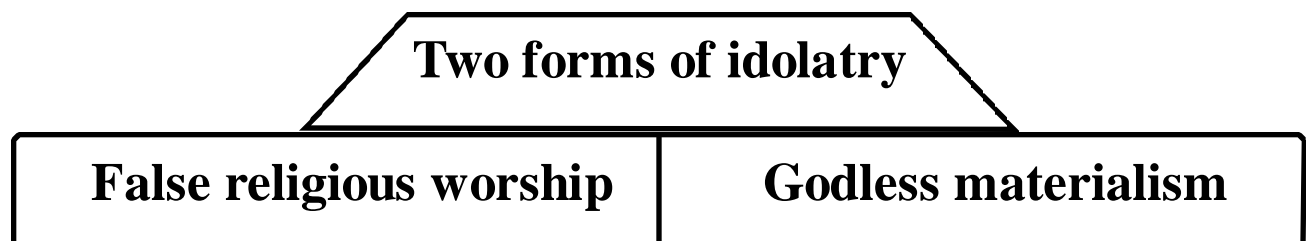

the announcement of the angel - verses 1-2
the reason for this judgment - verse 3
the call for separation - verses 4-5
the judgment of Babylon - verses 6-8

The announcement of the angel

this angel will have great power
the coming of this angel will make the earth bright with his glory
this angel announces that Babylon the Great is fallen
(the Greek tense that is used here indicates that this fall will happen suddenly)
when Babylon falls, it will become a prison for demons in the spirit world
and unclean birds in the physical world
according to Isaiah 13 and Jeremiah 50 and 51,
this destruction will be so complete that nothing will remain
it will be like Sodom and Gomorrah

The reason for this judgment

Babylon will be judged because it has encouraged all nations to join it in its idolatry
three groups who followed the wide influence of Babylon
the nations
the kings
the merchants
the nations and the kings have followed the religious worship of Babylon while
the merchants have been influenced by the godless materialism of Babylon
the entire city was centered around pride, pleasure and self-satisfaction
this was also the sins of Sodom and Gomorrah - Ezekiel 16:49-50

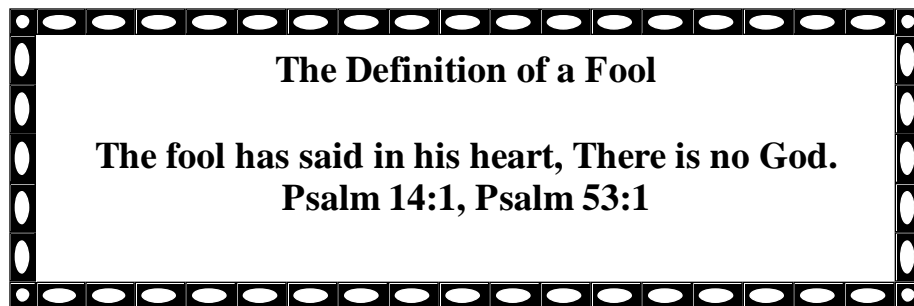

A call for separation

the people of God who live in the city are called to come out and separate themselves
before God brings destruction on the city
this is exactly what God did for Lot in Sodom
today God also calls us to separate ourselves from those things which would cause
Him to take second place in our lives
the people of God are here called to separate themselves from sin
such separation is necessary to prevent judgment when Babylon is judged
the sins of Babylon have reached to heaven
and God can no longer hold back total judgment

The judgment of Babylon

Babylon will be rewarded in the same way that it has treated God
Babylon will be judged according to her own works
(this is the principle of personal responsibility)
the sins of Babylon detailed
she has glorified herself - pride
she has lived luxuriously - self satisfaction
she has called herself queen - idol worship
this goes clear back to the claim of Semiramus
she expected no sorrow - the attitude of the fool
(no preparation to meet God or death)

The details of the judgment

the entire judgment will be completed in one day
this judgment will include:
death
mourning
famine
fire
Babylon will be completely destroyed by fire

The Response of the Earth at Babylon's Judgment - Revelation 18:9-19

the response of the kings - verses 9-10
the response of the merchants - verses 11-16
the response of those involved in sea trade - verse 17-19

The response of the kings

the kings will be filled with great sorrow
they are sorrowful because this city led their idol worship
they are sorrowful because this city provided them with great riches and fancy living
the kings will cry as they see Babylon burning
the kings will stay a great distance from Babylon due to fear
the kings will mourn because this great city is destroyed in one hour

The response of the merchants

the merchants will weep - verse 11

their reason for weeping will be due to the fact that they can no longer
buy merchandise from Babylon
here we see that their sorrow is related to their own desires
rather than a concern for the people

the merchandise of Babylon - verses 12-14

the listing of merchandise shows that Babylon will be involved in every type of
business
and commercial enterprise
these include:
metals, crops, cattle, vehicles,
slaves
and even the souls of men
everything that man has sought will be destroyed
it will be so completely destroyed that nothing can be found

the merchants will mourn - verses 15-16

these merchants had become rich as a result of their trade with Babylon
these merchants will watch this destruction from far off because of fear
their greatest sorrow will be to see the merchandise destroyed
they will recognize that riches cannot help in the hour of judgment

the response of those involved in sea trade - verses 17-19

these will also watch from a great distance due to fear
these will cry as they see the destruction of Babylon
these will discuss the fate of the city and compare it to other cities
these will show their sorrow by casting dust on their heads
(the reason for sorrow is the fact that this city has been the city
that made the shipping trade rich)
here we see again that they have the same selfish concern as the kings and the
merchants
like the kings and merchants, they will be amazed at the suddenness of judgment

The response in heaven at Babylon's judgment

there will be rejoicing in heaven
this rejoicing will be due to the fact that God
has shown His holiness in judging sin
this rejoicing will be due to the fact that God
has avenged the blood of His apostles and prophets

The method of Babylon's judgment

it will be a violent judgment

a mighty angel will cast a great stone on the city
this is the reason why the judgment will come so suddenly
the city will sink completely below the surface
so that no part of it will be heard from again
all musicians in the city will be destroyed
all workers in the city will be destroyed
all lights in the city will be destroyed
all marriage and life in the city will be destroyed

the reasons for judgment summarized again

the merchants were great men of the earth - pride
the people of the city used their sorceries to deceive all nations - idolatry
the people of the city killed the prophets, saints and many others - violence

*In its desire for commercial success,
the city of Babylon will destroy any who are a hindrance
especially those who try to proclaim the Word of God*

The Coming of Christ to Rule

Revelation 19:1-20:6

the rejoicing in heaven at the destruction of false religion - 19:1-6
the marriage supper of the Lamb - 19:7-10
the second coming of Christ in glory - 19:11-16
the judgments of those on earth - 19:17-21
the judgment of Satan - 20:1-3
the millennium (one thousand years) - 20:4-6

The rejoicing in heaven at the destruction of false religion

the saints in heaven will rejoice at the destruction
of organized religion (the false bride)
because that makes possible the marriage of the true bride to Christ

the rejoicing in heaven - verses 1-3

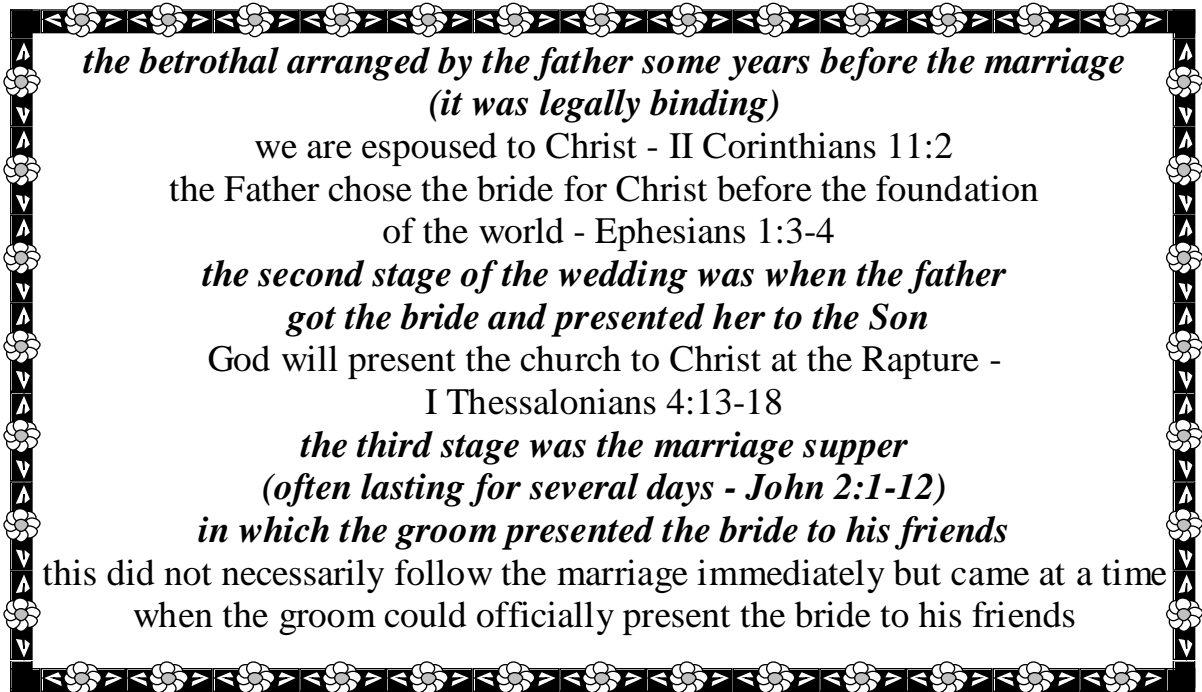

the rejoicing in heaven cannot begin until the destruction
of religious and commercial Babylon has happened
the rejoicing in heaven will include the voices of many people
this rejoicing will recognize the salvation and power of the Lord
this rejoicing will recognize that the judgments of the Lord are true and righteous
(even though this judgment may include unsaved relatives and friends,
we will be able to rejoice because we will be able to view it
from God's perspective instead of our own)
this rejoicing will emphasize the fact that organized religion corrupted the earth with
its idolatry and persecution of the saints
the saints will rejoice because the destruction of false religion
is a permanent destruction

the worship in heaven - verses 4-6

the entire church will fall and worship before the Lord
because of the righteous judgments of the Lord
a voice from the throne will encourage the church in its worship of God
the voices which are praising the Lord will sound out with such volume
that it will sound like mighty thunder

The marriage supper of the Lamb

The three stages of an oriental marriage

the wife is prepared for the marriage supper - verses 7-8

here we see that the wedding follows the procedures of an oriental wedding
the bride is announced as the wife prior to the marriage supper
this indicates that the marriage was consummated at the rapture
the bride is now ready to come with the groom for the marriage supper on the earth
the marriage parables in Scripture
Matthew 22:1-14 - shows it is on earth as an unrighteous man is removed
Matthew 25:1-13 - shows that only the prepared participate
we also see that a special gown has been prepared for the bride
today we stand in the righteousness of Christ
throughout eternity we will stand in the righteousness of Christ
for the marriage supper our wedding gown will be the righteousnesses of the saints

key questions about the wedding feast

when will it take place?

it will take place when Christ and the church return to the earth

how long will it last?

the feast will last throughout the millennium

who are the guests?

no unbelievers

all saints who are not in the church (see following verse)

the blessed who are invited to the marriage supper - verse 9

no unbelievers - Matthew 22:13

John the Baptist - John 3:29

the Old Testament saints - Luke 13:28-29

the tribulation saints - Revelation 20:4

redeemed Israel - Matthew 25:1-13

believing Gentiles - Matthew 25:31-34

possibly angels - Hebrews 1:6

the reaction of John - verse 10

he worships the messenger

the messenger corrects John

(we are not to worship others)

the testimony of Jesus is the spirit of prophecy

(all true prophecy is centered in Christ)

The second coming of Christ in glory

the appearance of Christ at His coming - verses 11-13

He comes on a white horse

the white horse is the animal of the conquering general

and is in direct contrast to his first coming on a colt

He is the who is Faithful and True

men throughout history have searched for truth

however, they failed to seek the one who is truth

He will judge and make war in righteousness

His eyes are like a flame of fire

no one will be able to hide from His judgments

He has many crowns on His head

He will now be the undisputed ruler of all nations

He has a name which no one knows

He is clothed in a vesture dipped with blood

a picture of the fact that He comes as a judge

His name is called the Word of God

this ties His coming to the fact that He is the Creator and

that all that He does to His creation is just and right

the armies which accompany Christ - verse 14

all of the armies of heaven will follow Him

this includes the armies of angels as well as the church

the victory over the nations - verses 15-16

although accompanied by the armies of heaven,
Christ will do all of the fighting Himself
just as Christ created the heavens and earth by His Word,
Christ will destroy the nations just by speaking the word
He will smite the nations - total judgment throughout the earth
He will rule - total victory
He will pour out the wrath of God against sin
He will rule as:

The judgments of those on the earth

the battle of Armageddon - verses 17-19

this will be the final great battle in which all of the unbelieving on the earth
will be destroyed
the birds of prey will have a feast of human bodies prepared for them
the armies of the earth
will actually think that they can destroy Christ
by joining with the antichrist in this battle against Christ
the armies of the earth
will all come together to the nation of Israel to try and destroy Christ

the doom of the beast and the false prophet - verse 20

the beast and the false prophet
will both be captured alive instead of being killed
they will both be cast alive into the lake of fire and brimstone
here we see that the beast and the false prophet
are the first to enter into eternal judgment

the doom of the kings and armies - verse 21

the kings and the armies will all suffer physical death
the birds of prey will be filled with their flesh

The judgment of Satan

this is not the final judgment of Satan but rather a thousand year judgment
the final judgment is described later in the chapter
an angel will be used by God to accomplish this judgment
here we see that Satan's power will be greatly diminished
so that one angel can control him
this angel will do the following things to Satan
he will lay hold on him
he will bind him for a thousand years
he will cast him into the bottomless pit
he will shut him up
he will set a seal upon him
he will prevent him from deceiving the nations
afterward Satan will be loosed for a little season

*the reason for this is the fact that God wants to show
that even under the ideal conditions of a perfect environment
that man will rebel against God because of his old sinful nature*

The millennium

six times the length of this period is given as 1000 years
usually God states something twice when He wants to emphasize it
those who reject such a repeated statement of time
show their view of the inspiration of Scripture

thrones will be given to the church to rule over the earth
these thrones are based on faithfulness - Luke 19:11-27

all unbelievers will remain in the place of torment until the final judgment

the tribulation saints will be raised to rule with Christ
all believers including the Old Testament saints will be raised to rule with Christ
the second death will have no effect on those who are raised
the believers will be priests of God and will rule with Christ
during the earthly kingdom

The final Judgments

Revelation 20:7-15

the physical judgment of the rebellious - verses 7-9
the eternal judgment of Satan - verse 10
the great white throne judgment - verses 11-15

The physical judgment of the rebellious

Satan will be loosed for a short period of time
to show the rebellious condition of the heart of man
even under an ideal environment

Satan will go out to deceive the nations
this shows us that there is no repentance on the part of Satan
even though he has experienced one thousand years of judgment
during the millennium millions of people will be born
they will show outward obedience to Christ
even though they are filled with inward rebellion
all these people need is a leader to lead their rebellion
Satan will provide that leadership

Satan will gather a great army together which will go against the city of Jerusalem
that army will be destroyed by fire from heaven

The eternal judgment of Satan

Satan will be cast into the lake of fire and brimstone
Satan will join the beast and the false prophet who have already been there 1000
years
this judgment will be eternal

Those who will experience eternal judgment

Satan - Revelation 20:10

the beast and the false prophet - Revelation 19:20

the fallen angels - II Peter 2:4, Jude 6

all unbelievers - Revelation 20:11-15, 21:8

The Great White Throne Judgment

all unbelievers will experience judgment after the millennium

this judgment happens somewhere in space
because both the earth and heavens flee from it
this judgment cannot happen in the third heaven
because no unrighteousness is allowed there
this judgment will fulfill the judgment of the earth in II Peter 3:10-12

all unbelievers will stand before Christ

the Father has committed all judgment to Christ
the book of life will be opened to show the names of those who are not there
other books will also be opened which list all
of the evil thoughts, words and actions of every unbeliever
the dead will be judged according to their works
those who have known more of the truth will receive greater judgment
Luke 12:47-48

all unbelievers will have their spirits, souls and bodies reunited

death speaks of the place of the dead bodies
hades speaks of the place of the departed souls and spirits
all unbelievers will be judged according to their own personal works

all unbelievers will experience the second death

there are three types of death
physical death - separation of the body from the soul and spirit
spiritual death - separation of man from God
eternal death - eternal separation from God in the lake of fire and brimstone
unbelievers will have their bodies, souls and spirits cast into the lake of fire

This Judgment Will:

Be in the Lake of Fire	Include All Unbelievers	Be Eternal
-------------------------------	--------------------------------	-------------------

The Eternal State

Revelation 21:1-22:21

the new heaven, the new earth and the new Jerusalem - 21:1-2
the changes that will happen on heaven and earth - 21:3-8
the description of the new Jerusalem - 21:9-27
the description of the river of the water of life - 22:1-5
the concluding message of the Bible - 22:6-21

the new heaven and the new earth are needed
because the first heaven and the first earth must be cleansed
II Peter 3:9-13
the new Jerusalem has been prepared to be the eternal city of the saints
the new Jerusalem is the holy city
the new Jerusalem is coming down from God
the new Jerusalem comes out of heaven
the new Jerusalem has been prepared as a bride adorned for her husband

The Lord will dwell with His people

this good news is announced from heaven
God is going to make his dwelling among men
God is going to live with men
God says that we will be His people
God says that He will be with us
God will be our God

The Lord will remove the results of sin

God is the One who will change the consequences of sin
tears will be removed
death will be removed
sorrow will be removed
crying will be removed
pain will be removed
all of the former things are passed away

The Lord will make all things new

God is the One who makes all things new
God gives us two promises about His Word
His Word is True
His Word is Faithful

The Lord will give an eternal inheritance to all believers

God will complete all things
God is the Alpha and Omega
God is the beginning and the end
God offers a free gift to all who will respond

Are You Thirsty?

Christ said He was looking for thirsty people in John 7:37
God is still looking for thirsty people
God offers the water of life to those who are thirsty
God offers this water freely
As the book of Revelation clearly shows:
judgment is certainly coming
only those who receive the water of life will escape judgment
each person needs to carefully examine his or her life

God says the overcomer will inherit all things
God says He will be God to all overcomers
God says all overcomers will be His children

The Lord warns who will experience eternal judgment

those who will have their part in the lake of fire and brimstone
the fearful
unbelievers
the abominable
murderers
fornicators
sorcerers
idolaters
all liars

The description of the new Jerusalem

the offer to show the bride of Christ - verse 9

the messenger is one of the seven angels who have the final judgments

the messenger invites John to see the bride, the Lamb's wife

the description of the walls and gates of the city - verses 10-14

the messenger gave John a preview of the Lamb's wife

the messenger did this through the power of the Spirit

the messenger showed the holy Jerusalem coming down from heaven

the city comes down out of heaven

the city is filled with the glory of God

the city has twelve gates and twelve foundations

the measurements of the city - verses 15-17

the city is laid out in the shape of a square

each side of the city is approximately 1500 miles

the walls of the city are approximately 216 feet thick

the description of the foundations of the city - verses 18-20

the city is made with pure gold

the foundations of the wall are made of precious stones

the glory and honor of the nations will be brought into it

the things excluded from the new Jerusalem - verse 27

nothing that defiles will enter the city

nothing that causes an abomination shall enter the city

Those who will be in the city

Those who are written in the Lamb's Book of Life

The river of the water of life

the source of the river is the throne of God

the river is a pure river
the river contains the water of life
the river is clear as crystal
the river comes out of the throne of God
the river comes from the Lamb

the banks of the river have the tree of life

the tree of life is on both sides of the river
the tree of life bears twelve different kinds of fruit
the tree of life has a new kind of fruit each month
the tree of life has leaves which are for the healing of the nations

the curse is removed so our service for Christ will be perfect service

the city has no curse in it
the city has the throne of God in it
the city has the Lamb in it
as the servants of Christ, we will serve Him

we will have the privilege to see His face
we will have His name written in our foreheads

there is no night in the new Jerusalem

there is no night in the new Jerusalem
there is no lamp in the new Jerusalem
there is no sun in the new Jerusalem
the Lord God is the source of the light

The Lord God says we will reign with Him forever and ever

**The concluding message of the Bible
Revelation 22:6-21**

the words of comfort as we wait - verses 6-17
the words of warning as we wait - verses 18-19
the words of benediction - verses 20-21

The words of comfort as we wait

we are promised the Lord is coming quickly
the Lord sent His angel to let us know what will soon happen
the Lord said He is coming quickly
the Lord says we will be blessed if we are obedient to His Word

we are reminded to worship the Lord only
John heard and saw the angel
John started to worship the angel
John was told not to worship the angel
John was told that angels are fellow servants

John was told to Worship God

we are reminded that the Lord is coming soon
the message of John needs to be heard
the message is important because it will soon happen

we are promised a reward at His coming
the unjust will continue to be unjust
the filthy will continue to be filthy
the righteous will continue to be righteous
the holy will continue to be holy
the Lord promises that He is coming quickly
the Lord promises to bring rewards when He comes
the Lord promises to reward every one according to his works

we are reminded that the Lord is the first and the last
the Lord is the Alpha and the Omega
the Lord is the Beginning and the End
the Lord is the First and the Last

we are promised rewards according to our works

the obedient will be blessed

the obedient will have the right to the tree of life

the obedient may enter through the gates of the city

the disobedient will be left outside the city

the final invitation of Christ to come

this invitation comes from the Root and Offspring of David

this invitation comes from the Bright and Morning Star

this invitation comes from the Spirit and the bride

(as the bride we are to be continually extending this invitation)

this invitation is to all who will hear

this invitation is to all who are thirsty

this invitation is to everyone who desires the water of life

The words of warning as we wait

this warning is to be given to everyone who hears the words of this book

this warning is to any who might add to the words of this book

God will add to him the plagues that are written in this book

this warning is to any who would take away from the words of this book

God will take away his part from the book of life

God will take away his part from the holy city

God will take away his part from the things that are written in this book
